## Baron and Baronesses Message

Unto our most beloved Barony of the Seagirt, greetings.

The tourney season has faded away, and Yule is upon us. Now is the season for enjoying the fruits of the harvest, for good times in good company. With that in mind, we'll be looking to have a few social nights through the winter, to keep our friends close and bring our new acquaintances closer.

Our Yule event will see the choosing of a new Baronial Bardic Champion and we look forward to hearing many songs, and enjoying a fine feast. We hope to see many of you there.

Outside of Seagirt we'll be going to Hartwood's Yule on December 3rd and are taking a look at travelling to Kingdom Twelfth Night the weekend of January sixth. It is a bit of a trip, but as it is An Tir's thirtieth year as a kingdom it will be well worth it.

Yours in Service  
Eideard and Mogg

Her Highness Princess Lenora and *Conna* MacLaomuinn at St. Crispins Feast

### **Sealion War**

May 25, 2012 to May 27, 2012

Lions Gate

Vancouver, BC

Event Steward: James Wolfden

Barony of Lions Gate

May 25 27, 2012

The Grene Wode, 25133 0 Avenue, Aldergrove, B.C.,VHW 2H4

Event Steward: James Wolfden mka James Welch; jameswolfden@yahoo.ca

Event fee: \$20/adult; \$10 youth (13-18); children under 12 are free. \$5 NMS applies

To be or not to be, that is the question.

Oh hell, it is not much of a question at all.

Of course, you want to be at the Sealion War in the Barony of Lions Gate when Lions Gate's finest take on the street gang ruffians from across the water. Baron Eideard, Seagirt's new and young Baron, wants to prove his mettle against the old and ornery Baron James. Will the calm and gentle voices of the lovely Baroness Mogg and the beautiful Baroness Margaret soothe these two war dogs or will steel clash and blood spill on the Grene Wode of Lions Gate.

The theme for this year's War is everything Shakespeare and the war points will be built around that. For the war fields, we are thinking a street fight that starts with just a few fighters but grows as the Houses of Seagirt and Lions Gate hear about the fight. For archery, do we go with slings and arrows of outrageous misfortune or Henry V inciting his army to victory at Agincort. Bards should practice their sonnets. The artisans will be asked to create something inspired by a Midsummer's Night Dream. The scientists can bring their best medieval stage props or effects. We will be looking at doing a youth point showcasing period teenage angst.

So come practice your for soothing with us.

held on March 10th. Gates opened at 9am and the site closed to event attendees at 11:00pm.

Site : MELLOR HALL , Cowichan Exhibition Grounds 7380 Trans Canada Hwy, Duncan, BC

V9L6B1 Contact person : Shari Paterson 250-748-0822 cowex@shaw.ca

You will find Exhibition Park 5 km north of the City of Duncan, nestled on the side of Mt. Prevost, situated on 62 acres of pristine land. From Nanaimo travel south 43Km and turn right on Mays Rd

Mellor Hall is a Multi-purpose room 200' x 80' which has the capacity to hold up to 1500 people. It has a well-equipped Commercial Kitchen, an excellent Sound System, fabulous natural lighting as well as excellent lighting for both day and evening events. It is wheelchair accessible and has roomy multi-bay washrooms. It has temperature controlled heating and air conditioning, and can provide tables and chairs for 450. The Hall has a 14' roll up door at one end, should it be needed to bring in props or equipment. The site allows serving of alcohol with required licenses in place.

The site allows dogs on site, but requires dogs are picked up after.

The site has a drop-box INSIDE the building for keys at event end, but the gate to the grounds also needs to be secured, so make sure to bring the site gate lock INTO MELLOR HALL WITH YOU when you open the site, so as to secure the gate at event and site closure

The Cowichan Exhibition Grounds required "Also Named" insurance, so time must be allowed for to acquire this. The site is popular, so I recommend booking it as far in advance as possible.

What would you have done differently?

This was a SERVED FEAST. Were I to organize a served feast again I would make the greatest effort to get the serving staff out to more meetings and to the site at least once, so that the actual choreography could have been better executed in the delivery of the food to the tables, FOR EFFICIENCY AND FOR ENTERTAINMENT EFFECT.

I would also clear the hall for the time necessary to set up the tables. This was not done and people set up their own tables. We had planned to put Baronial Tablecloths on all the prepaid Feast tables, and have a maximum of 8 at each of the those tables for serving purposes. This was not possible and caused considerable confusion for servers, with some tables getting more food than allotted and some not getting enough.

Keeping the ONBOARD and OFFBOARD separated was more of a challenge also, because event goers set up their own tables. Were I to-do this again, I would ask that event staff be allowed time to properly set up the tables. It would have been more traditional.

The BBQ which was delivered was not the one ordered. In future I would not be as trusting, but would actually visit the rental place and have them TAG the BBQ I ordered.

What aspects worked?

The hall was well equipped and especially suited to the event. The floor was a bit slippery, but not so much so that any accidents occurred. It was well worth the \$1288 it cost to rent Mellor Hall at the Cowichan Fair Grounds. The volunteers in charge of different aspects of the event did their jobs exceptionally well.

Sarah Miles/Sara Venatrix - Deputy Feastocrat

Cai Burley - Merchant Row Organizer

Erin Mills - TUTR

Tristan - Gate

MIC Overall - Master James Llewellyn

They chose people to work with whose capabilities and expertise made this event run exceptionally smoothly. We ideally would have had 1 server per table (16) and 2 for the head table (in total 18) but made it work with less.

ATM MACHINE : Tony Price (w) 1-250-999-8103 (C) 1-250-882-8669 EJAKE ATM SERVICES will provide portable ATM Machines for all events.

## Up Coming Events

### **Fall Masked Ball**

**October 20, 2012**

Event Steward Anastasia Daysshe

"Hear ye, Hear ye "calls the herald.

"Come one, come all, to a Masked Ball "he smiles at the reaction

"Yes, you heard correctly, a Masked Ball and a Tavern within the Barony of Seagirt. This means you need a mask yes, but we are a creative society and I am sure we can rise to the challenge of it for this night of joy and festivities. "

There will be a merchant on site selling masks for 5 dollars, with supplies that you will have access to so that you might make them there if you have need.

"It will be held Saturday Oct 20th, unofficial start time is 330 pm, ( this might be moved to an earlier time ) and will go to 11 pm. Place will be the Eastern Star hall at 3281 Harriet street. Price will be 10 dollars to get in the door. "

I believe the Tavern will open at about 5:30 pm. There will be munchies ( bread and Nuts ) upon the tables, but no real food, though this is in the works and may change.

"Upstairs in the hall, will be the Mask ball. Downstairs will be a Tavern, run by the lovely Anna Jane, with game boards, candlelight (oh la la). As well as there is a rumour that there might be a silent auction to support the hall rentals for our dancers, archers, and fighters. Look for the upcoming post on this "

"If you have game boards, feel free to bring them along as well. "

"The ball will consist of Dance cards, and dances set in timed blocks. Sets blocks in No particular order at this time. For those who do not know the dances, please attend dance class on Tuesday nights and the Lovely Dance Mistress will be teaching them over the next few months to ensure that you all know them.

" sharking competition is in effect, though it its not a registered competition, you get to have a cloak for a year ! "

**Swanhaven:** not present email received by Morgaine reads:

“Greetings Lady Morgaine I have prepared a Seneschal’s report for this Tuesday.....Swanhaven's Seneschal Report First Tuesday of the Month June 30 2012

It has been a very busy month preparing for Seaside Tourney. Emails have been sent far and wide to people to help out in any way they can. From a food merchant (yet to acknowledge), to teachers for demos and classes. Classes will be Viscountess Erin Gunner teaching SCA Structure and Chivalry and Etiquette. Master Iago is teaching Intro to Heraldry, and James the Celt is teaching Celtic Life and Lore. There will be demos on chain maille constructing by Gryfyd and a demo of silk banner making by Baroness Janet. Local Merchants have been contacted and hope to come out. We have repaired our pavilions, one as a Swan Inn for visitors without a pavilion to our Seaside Tourney, built 8 list field stantions, constructed a IKCAC target for Combat arrows, built a new rapier tavern style game of skill called Don Quiote, of course which I am anxious to try out. We also put together thank you necklaces of beads and pewter castings for thank yous and Championship tokens. I have also constructed a thrown weapons target round for a competition. Popinjays have also been built for combat arrow fun or RBG's! I have also built 2 plywood "ships" comprised of 6 pieces each. They are carried much like shields and would be part of a Ship battle scenario. They come with a slingshot cannon that can launch tennis balls (approval still pending from the Earl Marshal) or water balloons! (splash) . Posters are being scripted to post around Salt Spring to inform the public of our event. I have found two students through our local E Exchange list and have had 2 practises. We have also been holding dance practises at various homes in preparation for a Sunday afternoon demo at a nearby Lavender farm Festival.

We hope to see everyone at our Seaside Tourney at Ruckle Park.

Monseigneur Richarde, Seneschal Canton of Swanhaven”

## Message from the Baron

Greetings Seagirt.

I see by the dimness of light and the crunch of leaves underfoot that it is November. And I can hear by the sighs of the ladies and gentle grumblings of our more bear-like warriors that the weather and the shortness of days have already begun to affect us. The wet winter season can be hard in Seagirt, camping events are long gone, and by now the pavilions and camping gear are stored away. Practices are forced indoors or into shorter hours to deal with the early dark and attendance can drop off rapidly as the unavoidable plagues of the season begin to take their toll. We are a soggy, rain lashed Barony at this time of year, and our skies are often dim and grey.

Fortunately, here in Seagirt, we have an easy remedy for our seasonal woes. It's not only because of the harvest that autumn is the season of feasts. Nothing picks up our spirits more than to socialize with friends with a drink in your hand and a hot meal inside you. With that in mind, her Excellency and I are looking forward to the Guy Fawkes Tavern later this month, where we will leave the official regalia at home and enjoy an evening of merriment with our friends and family in the Barony. We've even invited a few of our mundane friends to put on some garb and come investigate what we're about at an informal event, we shall see if they rise to the challenge.

Small events like these are among my favorites as casual social gatherings with no schedules and much time for conversation do more to build community at home than any number of large and busy events, exciting and important though they may be.

In December, we shall be looking forward to White Court and Seagirt Yule for more opportunity to visit with our neighbors and enjoy their good company, and of course for more feasting.

If feasting and socializing is not a sufficient remedy for fall, it's also traditional to make your hands busy during the long nights of autumn and winter. Personally, I find myself casting in pewter, which causes me to attempt to carve molds in soapstone, which causes me to grumble like one of those aforementioned bear-like warriors. However, there is no learning without making mistakes, and though my grumbling improves faster than my carving, I hope to have something to show for it by January when there is to be a Gentle Arts event showcasing the talented artists and artisans of Seagirt, as well as a number of trials for my scholar applicants.

I invite you to leave the cares of the season at your door and undertake a project or a new skill, to vent your grumbling on, to show us in January, and I look forward to greeting you over the cup of friendship at one of the upcoming events, where I shall grumble over my projects, and my Lady will explain how swearing was actually invented by a gentle lord, undertaking to learn to knit.

Yours,

Thegn Eideard of Oransay  
5th Baron of Seagirt.

Members of the Barony were recognized for their service to the Principality and the Kingdom.

September 2012

Deserving Members of the Barony were recognized for their service to the Principality and the Kingdom at An Tir September Crown.

Three Cheers to those recognized by the Principality and Kingdom this quarter, they do the Barony proud with their service!!!

Huzzah!!!

Ladyship Anna-Jane Burd  
Coquille Pursuivant

From Master of Stables

No issues or incidents to report this quarter. July was a very slow month; there was an average of only one person at each practice! In August things began to pick up, helped by two of our regular participants returning from posting with the military. By September another alternate practice venue was adopted, Monday evenings from 6-8pm held at eagle ridge arena> The intention was to have a combined practice with rapier and target archery community. The practice has not proven with the heavy and rapier community due to cost, the first month introductory fee was \$5.00 then \$10.00 only a few members have attended practice for the purposes of heavy combat. The more Established regular practices are still going strong.

Lachlan will forward insurance information to Swanhaven.

No updates this month: Chronicler, Herald, Scribal (Open), Minister of Family Affairs

#### Event Reports

Yule: Slightly lower attendance than expected: 59 Adults, 5 Comps, 8 Youth, and 15 Children. Expenses were \$48.80 under budget which means the event made a profit of \$2.80 in spite of lower than target attendance. Potluck was very popular. Games were popular and should be encouraged at future events. Event Report accepted.

#### Event Updates:

GottaCon Demo: Space has been secured inside for booth and demo. Demos listed in the program as follows: 6-7 pm Friday, 1-2 pm Saturday (outside) and 1-2 pm Sunday. Demos are scheduled to take place during the dinner/lunch breaks between the Gaming sessions to maximize the audience. There will be a Heavy, Rapier and Dance set in each Demo. Dance will consist of two dances which are performed and a third which is taught to potential newcomers. Ming, Mathieu and Anastasia will look after running the Demo.

Those who are attending the event to just take part in the Demo get into the event for free and will only be permitted to stay for the Demo. We have a limited number of discount tickets available for those who wish to see more of the Con. They are on a first come first serve basis and cost \$30 each. Advance price for the Con is \$40. Price at the door will be \$50.

People will be needed to relieve those working the Barony Booth at the Con. There will be an AS&S Display table and a Merchant Table in the booth. Those with items for the Merchant Table will pay 10% of their sales back to the Barony to help offset the cost of the Merchant Table. Merchants do not need to be present for the event. Booth Staff will watch the wares.

Investiture: Principality Lists Staff, Gate Coordinator and Day Food provider have been confirmed.

Schedule has been virtually approved. Will be posted to lists shortly once approved.

Saturday events include: Rapier Championship, Heavy Buy-a-life Tourney and an Archery Tournament is being planned. There will be Arts & Sciences displays and contests. There will be a Tavern after Court on Saturday. As much hall cleaning as possible will be done on Saturday night.

Sunday will be a half day with the event ending at noon. Financial, Curia and Chiv Meetings are taking place on Sunday.

The King and Queen will be at the event as well as the current and incoming Prince and Princess. Get your Kingdom, Principality and Barony award recommendations in now.

Daffodil: Marshall in Charge has been confirmed. Event copy has been sent in. Gate Coordinator is needed; they are required to have a current SCA Membership. Menu will be out shortly for the feast.

Post will go out for that we are looking for prizes for the Heavy and Rapier Tourneys. We have a budget of \$75 for supplies for each prize. Archery prize has been lined up. We would like to know what the prizes are by Investiture so we can advertise the Daffodil prizes at Investiture. We should make posters for Daffodil which can be posted around the site at Investiture to encourage people to come back to the Island for Daffodil.

Gentle Arts: Day Food Person needed if anyone is available. Schedule is a work in progress. Members of the Sergeantry will aid in the Scholars testing at the event. Arts & Sciences and Bardic tests will be conducted at the event. Silver Whale Competition is TBA at this point. We don't currently have anyone to run Silver Whale at this event. Tavern needs event details for the Tavern license. Cheques need to be written for the hall and the float. Gate cheque can be made out his Excellency.

We will have no general access to Stores for the next little while. Reanne and Forrest need to be given advance notice if anything is needed from Stores. Anything needed for Gentle Arts or GottaCon needs to be picked up tonight after Council. Anna-Jane will do a Stores run after Council and pick up what is needed for the next two events.

Sealion: No update on Sealion at this time.

What events coming up need insurance? Investiture and Daffodil both need Also Named insurance. Insurance will cost \$50 for each event.

Other Business:

Archery Closeout: Archery practices at Eagle Ridge are done. There were 27 different people in attendance with an average weekly attendance of 11 people. Loss for the term was almost \$800. Site was popular with those who attended.

We are looking at various possible sites to hold regular Archery practices at. We are checking with two outdoor clubs in the area and Baron James is looking at a possible indoor site which would cost \$25/hour. Hamish needs to update the Website which still lists Archery at Eagle Ridge on Mondays.

Water Point: Anna-Jane is currently planning Water Point for upcoming events starting with Investiture. G2 low sugar Gatorade will be replaced with Sustain Sport mix which does not contain aspartame. Anna-Jane is planning on holding a series of personal fundraisers such as an ongoing Bottle Drive to cover the costs of Water Point so the receipts do not need to be redeemed by the Barony.

New Banking Fees: As mentioned at Council in December, Coast Capital will begin applying increased fees to the Barony account starting January 1, 2013. We will be charged \$5 a month plus 95 cents for each cheque. Fees could easily be \$25 per month. Inga will be sitting down with Coast Capital to discuss the fees. Inga is also looking into options with other banks. Toronto-Dominion/Canada Trust may be able to offer us an account with fees of only \$5 a month according to the Assistant Manager Inga spoke to. The situation will be monitored and followed up on.

NO FURTHER BUSINESS, MEETING ADJOURNED 8:00 PM

## February 5, 2013

Present: Lachlan, Anna-Jane, Aria, Mathieu, Eideard, Janet, Tristan, Lenora, Morgaine, Inga, Finn, Sarra, Derek, Herdis, Brigit, Mogg, Amelia, Isabel, Letitia, Nathan

January minutes approved.

Seneschal: No new major rule changes for upcoming events. Please encourage people to come out to upcoming events.

NMS wording change lists NMS as a 'Donation' when in fact it is a required fee for non-members. Lachlan has sent his concerns about the new wording through the Seneschal chain.

Because Seaside Tourney was listed in the July Crier, NMS should have been charged. It was not. Planning Committee had requested that the event not be listed in the Crier so that NMS would not be required. Email chain requesting it not being published has been forwarded. Principality Seneschal is expected to look further into the matter.

Applicants are needed for Branch Seneschal as soon as possible. Lachlan would like the incoming Seneschal to be his Deputy until the switchover in June. Please contact Lachlan if you are interested.

B&B: Baroness attended 12<sup>th</sup> Night. It was a really good event.

Award recommendations wanted for Daffodil. Principality and Kingdom award recommendations are also needed for Investiture. Highnesses will be at Daffodil as well.

Scribe needed. Lachlan has a potential person for the office.

Duchess Meagan is stepping down as Head of Retinue. New Head of Retinue will be confirmed shortly.

Exchequer: Monthly Report for January submitted and reviewed. Bills are up to date. Overdue invoice needed for UTR session held in 2011. Lachlan is working on getting the invoice. Financial report for Seaside Tourney is TBA pending the outcome of the NMS query. Good news, we will not be getting charged new fees at the bank so looking for a new bank is no longer needed. 2012 saw the Barony take a loss of \$2532: \$1700 was the lawsuit; \$800 events.

GottaCon: GottaCon went really well. We got lots of exposure. We made the local news. Chatelaine was getting email inquiries as of Monday. All three demos went really well. There were two injuries during the Heavy demos. One was an aggravation of an old injury. The other was a poor block which resulted in a torqued elbow. Both are expected to recover shortly. Barony received \$8 from the Merchants. Con organizers were very happy with what we brought to the event and they would like to have us back in future years.

Thank you to all the Volunteers who came out for the demos, manned the booth and answered questions for 29 hours over the course of the three days. Congratulations to Her Ladyship Morgaine who won the Best Craftsmanship Prize in the Costume Contest.

Master of Stables: Attendance is up at practices. There are a number of Members of House Sigis coming out to practice. There are also a number of new people coming out. We have loaner gear on hand for new fighters.

Master of Blades: Practice site is now full of stuff. Amount of space available for practice varies. Derek is looking for new sites. If practice moves updates will be posted.

Arts & Sciences: Arts & Sciences are happening. We will be holding our traditional Daffodil in Any Medium Contest at Daffodil. We will have Principality-wide A&S displays at Investiture. Items are needed for display on the Seagirt table. Defender Cloak will be on display.

Wednesday night attendance varies. Social Night in January saw 40 people come out. Successful pass the hat. We could use a Greeter and round table for info on Social night. Bardic is happening on alternating Fridays. We may need to find a new venue for Bardic. Things are getting a little loud for Aria's apartment. There have been new faces out.

Dance: Dance attendance numbers are up. Pass the hat raised \$200.50 in January so we almost broke even on the hall rental. Speaker unit from Elsa works well for events.

Herald: Populace will be encouraged to register their names and devices throughout the year. We have a number of people who have their submissions almost ready to go, but they need to be checked before being sent in. Maister Iago will be asked if he is available to do a consulting table at Social night. There is open Wi-Fi in the hall. Janet is happy to collect submissions that are ready to be sent in.

Swanhaven: Report has been received from Swanhaven. Weekly practices will become a formal practice once they move indoors. Lachlan will forward insurance information tonight. Practice is moving from Tuesday to Thursday night. There is a monthly A&S session. Practice information will be posted on the Rocks. Swanhaven will cover the \$10 fee for practices.

Submission package to be completed and sent in once we receive a minimum of three months of regular reporting. Incipient status is designed to be a monitoring status. Swanhaven will receive the same reporting prompts that all of the officers receive. We will be looking for reporting to happen regularly without special prompting.

New Chatelaine: Letitia Talbot has stepped forward as the new Chatelaine. Letitia has been active in the SCA for ten years and enjoys talking to people. Would like to see us get more Media exposure. Looking to put together a Demo Team. Will give the Branch more advanced warning for demos. Asking for input for Demo Team and other suggestions. Deputy is Sarra Venatrix. New Chatelaine understands the importance of reporting on time. Congratulations to the new Chatelaine and Deputy.

No updates this month: Chronicler, Scribal (Open), Minister of Family Affairs

#### Event Reports

Gentle Arts: Scholar applicant testing went well. Event made \$100 profit. Only expense was the hall. Bardic Championship has been rescheduled for a later event. Morgaine is the new A&S Champion. Members of the Sergeantry noted that Scholars are tested at a harder level than the Sergeantry in the same areas. There were issues with members of the Germania group who brought their own stuff to work on at the event. They are young and enthusiastic. Germania had an issue at gate with the fees and NMS. This was the first time that we held this event and it was a learning experience. The event may benefit from a Post Mortem. While there is a lot for the Applicants to do, there could be activities scheduled for the Supporters to do. Send feedback on the event electronically to the Event Steward. We could have a feedback form on the Website which people could fill in and submit. Information would then go to the Council Members. Flaming feedback would be ignored. Event report form on the website needs to be updated. Thank you Brigit for taking on Gentle Arts. There were 32 adults and 1 child in attendance. Fourteen NMS. Event Report accepted. Post Mortems will be encouraged, but not required. Event Stewards will have the option to hold in person/gather information electronically. Event Stewards should ask their event staff if they have any information for the event report. Lachlan will post an email to the Rocks.

#### Event Updates:

Investiture: Posts have gone out about A&S displays. Menu for Day Food has gone out. Archery and Buy-a-Life info is out. Set up and tear down teams being arranged. Prizes for Heavy and Archery are in place. Tavern will supply Day Food with pop. Lenora will be looking for donations of food for the Royal Ready Room. Lenora will manage the Royal Ready Room food requests for this event.

Largesse requests will be posted to the Rocks. This is a good opportunity for people to get their handicrafts seen throughout the Kingdom and Principality.

Daffodil: Tournament formats for the three tourneys are in discussion. MIC, Lists, Water Point, Family Activities, have all been confirmed. Prizes have been collected for the tourneys. Heavy Prize will be a buckler. Rapier prize will be a lantern with stand. Anyone available for set up or tear down crew, please see Morgaine. Merchants see Morgaine to reserve tables. Gate person is TBA. All set up will be done Saturday morning.

Sealion: Janet is Event Steward. War Points information is needed for the event as soon as possible. War Lord is needed. Need to confirm plans with the current War Lord. Event will be at Mountaineer Campground.

Other Business:

Social Media Policy: Extensive new Social Media Policy has been posted on SCA Main Page. We are responsible as a Branch to manage our online presence. Need to be compliant by the end of February. Open lists need to be moderated by two Officers/Deputies. Lists need to be posted as moderated. Social Media does not require the same release forms as the printed newsletter and website. We will continue to comply with Facebook policy. All Moderators need to read the new policy. All officers should take a look at it. We need to look at which lists are open at present. The Rocks remains the official information source for the Barony.

Other Business: Recent Dance Mistress and Bardic Mistress did not feel that they got enough training and support from the outgoing Deputy Officers prior to taking over their respective duties. Whenever possible, there should be a month or two training period where the outgoing Officer/Deputy can train the incoming one. Branch policy does suggest that training take place prior to the switchover.

Family Affairs: Not present

Swanhaven: report has been received via email

Thank you for your update regarding finances and reporting.

Richarde had one rapier practice on the Thursday before spring break, however only one of his five students, Eldon, was able to attend. A youth waiver was signed. \$4 was collected and the cost of the room was \$10. We have just received the invoice from the School Board and will mail it before next Council. (With Easter visitors etc. Richarde missed reporting for last month, sorry).

The room was not available during spring break and will not be available for the summer. Between that time we may wish to hold a combined A&S, Dance and Rapier practice, however Thursday night does not suit some of the most active members so we are in the process of determining what other night will work. Once determined the details will be posted to the Rocks.

In the interim I continue to help anyone interested in A&S as needed, in my home or theirs.

Also we have someone who may be willing to take on the Seneschal duties so that Richarde can be the officer for Stables/Rapier.

I must say that some of our potential members who were excited about attending the Yule demo (and having their friends attend) are put off by the seemingly heavy-handed beaurocracy of the SCA, which was responsible for changing Yule from the original level 2/demo event to an unfeasible Level 1 event. Demos are necessary for Swanhaven (or any new group) to thrive. Is Seagirt still opposed to a demo event?

Thank you!

Genevieve

Newcomer Participation:

We had Tir Righ A&S event within our Barony, we had many walk by's. We did however have a family, who had moved to Seagirt the day of the event, who walked by and were instantly hooked. They have brought their two sons out to youth combat regularly.

Demo:

We had 2 paid demos within this quarter. One was for BC Pension Core, and the other was for the Royal British Columbia Museum. Both of them went off well. The Pension Core demo was for entertainment purposes and had dance, rapier and heavy fighting. It was fun and had a great turn out.

The RBC Museum Demo was a massive scale, educational demo that included people from all over the kingdom, showing the public how a viking market could have run. With hands on stations for the public to try their hand at things like wood working, nålbinding, weaving etc. there was also a heavy fighting aspect. We had hundreds of walk by's and many pamphlets handed out.

## ALTHING CLASSES JULY

Classes for July Althings include:

**July 11th** - Norse Hoods taught by HL Isabel de la Roche

**July 18th** - Labyrinths taught by Mistress Linnet Kestrel

## Seagirt Kneeling Pillow Progress

*Pics by Baron Conall*

From Sealion War, AlThing and SST, our kneeling cushion has gone from a blank sheet of canvas to a beautiful work of art! And we can't forget the trim!

## Sigiesta a Blast!

June 28th Sigis hosted an event at the Eastern Star Hall that was a true delight.

Sir Duncan and Sir Liam were out on the field teaching and Her Excellency Nadezhda taught a brilliant persona development class.

The potluck was fun with last minute found pots stew, more coffee and tea then anyone had thought possible, and a delicious meat torte brought by Baron Conall. Of course a whole slew of other wonderful dishes were brought as well.

Penny games hosted by the Jarl were hilarious. Line up's of people stood to have a chance to slide their loonies at a collection of prizes - and whoever got closest without touching won the prize! Wine, beer, and rum were foremost in the collection and all vied for the chance to take home a drink for a few bucks.

One man, HL Jaime Tiampo, knocked more peoples loonies off the table then any other. When he took a turn hearts quickened and breaths caught... despite never winning himself he will be the most remembered.

Games, scavenger hunt, volunteer work, it all gained you raffle tickets. In the main hall, \$500 worth of prizes were up for raffle, and you could place you raffle in a number of buckets to see who would will! Art Supplies, make your own Chainmail starter set, a collection of alcohol with a book on Vikings, Sword holsters,... and more!

All in all, the event was a great success, and I for one can't wait to do another event with Sigis!

## Seagirt Summer Tourney in the Sun

This weekend saw the competition for the Archery Championship. It was a gruelling competition in seven stages, fraught with sea serpents, treacherous cliffs, dread pirates and a ferocious penguin!

Congratulations to the new Marksman of Seagirt, [Esa MacAlasdair!!!](#) We look forward to your service in the coming year.

Thank you Lady [Athelina Grey](#) for organizing the Archery contest, and for being the Event Steward.

There was also a Twelve Hour Play project by the Baron of Seagirt's Players. And many hands worked together on continuing the Kneeling Cushion project.

Thank you to all the volunteers who helped make this event possible!

A note:

As always, we are looking for largess from the populace as well as retinue.

If anyone would like to donate their time in either way, we'd be happy to accept.

**Come One Come All to Seagirt Yule**

December 9<sup>th</sup> at the James Bay New Horizon Society.

Seagirt is hosting our Annual Yule, and this year is going to be a splendid show of artistry, music, dance, and (if luck and the gods don't rain on us) fighting!

We will be holding a myriad of fanciful and festive contests. Our usual Bardic Championship, Feast of Immaculate Confection, and a new contest this year Ugly Winter Garb. More news to come.

If you have any questions, please see contact HL Juliana la Badele at [chronicler@seagirt.tirrih.org](mailto:chronicler@seagirt.tirrih.org)

*Recipe by Daniel Myers*

Spiced wines have been popular for centuries, and the spices used haven't changed much since the 14th century. Instructions for making hypocras can be found in medieval cookbooks from several countries, making it one of the most common recipes.

### **Ingredients**

- 2 cups red wine
- 1 tsp. powder douce
- 2 - 3 Tbsp. sugar, according to taste

### **Method**

Put ingredients together into a pitcher or other vessel with a pour spout, and stir until sugar dissolves. Serve warm or cold.

For a non-alcoholic version, use grape juice instead of wine and add one or two teaspoons of red wine vinegar for a bit of tartness. Depending on the sweetness of the the grape juice, the amount of sugar may be reduced or eliminated entirely.

### **Hartwood is hosting November Coronet!**

The Principality of TirRigh invites all to sail to Inula Magna to attend TirRigh November Coronet, where our next leader will be chosen!

Come one, come all, to Seagirt's Gentle Arts event! Saturday, January 20 at 9am - 10pm James Bay New Horizons Society (Allthing site).

2018 is the 20th anniversary of when Seagirt became a Barony, and so we're going to celebrate all year long!

For example, 2018 will be the 790th anniversary of the Sixth Crusade. It is also the 500th anniversary of the Dancing Plague of 1518. Or, if academics is more your thing, 2018 is the 570th anniversary of the Vatican Library or the 850th anniversary of the first classes at Oxford!

# Your Baron & Baroness Update

**Conall MacLagmayn and  
Letitia Talbott**

## **VI Baron and Baroness of Seagirt**

Good Morning Seagirt, This past month we had our Yule celebration and it was lovely. There was a pot-luck feast, carolling, classes, tournaments, people taken on as students, and much merry making and Baron Conall and I both feel honoured to have been able to have been there for it all.

Thank you to HL Juliana and her event team for putting on such an amazing event! It was a pleasure to be there and all of your hard work paid off!

A big thank you to my Head of Retinue Lady Anne Greystoke and all of Baron Conall and my retinue for all of your help organizing us and keeping us watered, wined and fed.

For those who weren't there Conall and I were pleased to give out a few awards to deserving populace.

Lady Gizela Z Nitra is now our

newest member of the Order of the Orca! It was a good event for Lady Anne Greystoke who was awarded the Rock of Seagirt, and was welcomed into the Order of the Seagull, which is our polling order for long term service.

Lady Marguerite SaintClaire was given a rock for her dedicated service in Retinue. Thank you so much ladies!

Two of our populace were taken on as students this weekend. Lady Esasinghen MacAlasdair was taken on as a Demoiselle by HL Tatiana Alexievna, and Lady Anne Greystoke was taken as a Man at Arms by Master Gareth Doiron. Congratulations!

We also had a few competitions this weekend. This weekend passed we had our Bardic Champion chosen.

Two members of the populace chose to compete for the title, the tried and tested HL Juliana de Badele, and a new bardic competitor Lady Anne Greystoke. The judging was much deliberated over and the scores were very close, but Lady Anne Greystoke was the final winner! A big congratulations is in order for both contestants, and huzzah for Lady Anne! We look forward to seeing you promote bardic and teach within our Barony over the coming year.

Also, the Baron and I would like to thank Lord Saito for all of his work as our Outgoing Bardic Champion and look forward to him competing again in the future.

We also had our traditional Feast of Immaculate Confection competition at Yule. There were many competitors, some from close to home, and others who travelled from afar. There were 3 categories, most period recipe, best tasting and best subtlety. Master James Llewelyn

took the best tasting category, HL Lucy Holgrove won the best subtlety, and Lady Melyes Anikó won the most period recipe. Thank you to all the people who entered our dessert competition!

We also had the 'ugly sweater' Yule outfit competition put on by HL Morgaine of Essex. Many people dazzled us with their costuming 'skills' and in the end the winners were Lady Anikó and HL Athelina. We must thank HL for running this fun competition and all the people who participated.

Thank you to our gracious Prince and Princess of Tir Righ Sir William Mac Brennan and Mistress Nadezhda Toranova who attended our event, awarded our citizens, and be headed no one. It was an honour to be in your presence, and still be alive.

Thank you all who attended, and we wish everyone a wonderful New Year Yours in Service, Baron Conan MacLagmayn & Baroness Letitia Talbott "As the sea parts, Seagirt rises!!!"

**We are always  
accepting largess.  
If you would like  
to help but need  
ideas on what to  
make please feel  
free to contact us.**

## Our Seneschal has Words!

Thanks to Ned for holding down the fort in the interim. I am looking forward to working with council for the betterment of Seagirt.

My main focus for 2018 will be Community. What can we do to make our internal Community in the SCA, and our external Community in Victoria, a better environment all round.

We will undertake the task of updating and revising out manuals and reworking our operating procedures as needed. Seamus will step up as Drop-dead deputy replacing Ned and Tatianna will step in as deputy of operations.

I would like to request that officers start including attendance for weekly meet ups in there reports each month.

The Rocks will no longer be used, and will be dismantled.

## Arts & Sciences

by our Lovely Lucy Holgrove, A&S Minister.

Upcoming classes will focus on projects for Daffodil.

Bardic: Was mostly cancelled in December due to the holidays and moving. One newcomer who hopes to attend more often.

Dance: With winter and Christmas, Dance is slow. More Arts and Sciences classes have been offered, often running concurrently and this Minister is teaching some of them.

Others have stepped up to teach dance. Offer help teaching **otters** to teach dance. Apparently our Baroness had an idea about that. She had found a packet of info we could purchase help teach Medieval Dance

Arts and Sciences classes were fairly well attended in December. Many thanks to HL Mathieu Thibaud Chaudeau de Montblanc for his multi-part class on Safe Books, and

Lady Hallveig Sigrunsdottir for her knitting class. 4) Looking for more teachers for classes in 2018, please contact me via Facebook. Classes on any Arts and Sciences, crafts, SCA topics, or largesse are all needed!

*If you say so, Lucy...*

## Archery Update

By Anikó Melyes.

The indoor range is set up and thanks are due to Master James and Wulfgar. We had a grand opening mid December! Considering the date (close to Christmas) it was well attended. We brought snacks and beverages to share and everyone cleaned up afterwards. Huzzah!

Regular practices to commence in the New Year (2018) on Saturdays 3-6pm. We have been discussing breaking the practices up to contain a drill session/short demonstration or talk component with them with input and teaching from various people sharing their skills and

favourite drills. If you have an idea for a talk/drill let me know and we will arrange for you to teach it - OR if you aren't comfortable teaching it we can work on finding someone who can teach it to the group.

I would like to hold an arrow making workshop at an allthing or the fight practice space if there is interest, let me know if you would like to learn.

If you are a Senior Marshal, talk to me if you want to hold a practice and I will arrange for you to get a key.

# Thrown Weapons

ByHL Athelina Grey

Not a lot this month due to holidays and Yule. Gave out tassels to those who achieved an average with Thrown Weapons Royal Rounds. Wondering if there will become a badge for TW like there is for archery for ranks. Looking at possibilities for throwing in the indoor site. Need some backdrop options. Waiting to hear from other branches re spring competitions. Need help making a backdrop for the indoor range, and some more thrown weapon stands. Also need some more rounds as our throwers keep enthusiastically axing them apart! Need to get stands and rounds no later than the end of January. Suggestions/ leads/ help making things are needed!

# Looking for a M/F with great hands and a lot of passion...

We are looking for a person who would like to take over the very important job as Baronal Scribe. Do you love painting, illumination calligraphy? Can you organize a handful of individuals and documents on a deadline? Want to be the person who inspires and fosters this beautiful art in our Barony?

Our Scribe, Baroness Elina Karsdottir has been long serving and holds other offices and would like to find a replacement for her in the office. If you are interested, send her an email at [scribe@seagirt.tirrigh.org](mailto:scribe@seagirt.tirrigh.org) for more information.

On that note, if anyone has old indoor or outdoor house paint laying around, in ANY COLOUR please donate it to your Barony. Especially natural shades and shades of White.

## Sambocade Cheesecake

### *Cheesecake with elderflowers*

PERIOD: England, 14th & 17th centuries | SOURCE: Forme of Cury and The Closet of Sir Kenelm Digby, Opened | CLASS: Authentic

### ORIGINAL RECIPT FROM FORME OF CURY:

179. Sambocade. Take and make a crust in a trap & take cruddes and wryng out þe wheyze and drawe hem þurgh a straynour and put hit in þe crust. Do þerto sugar the þride part, & somdel whyte of ayren, & shake þerin blomes of elren; & bake it vp with eurose, & messe it forth.

*(For the translation, please refer to Sambocade)*

- Hieatt, Constance B. and Sharon Butler. *Curye on Inghlish: English Culinary Manuscripts of the Fourteenth-Century (Including the Forme of Cury)*. New York: for The Early English Text Society by the Oxford University Press, 1985.

### ORIGINAL RECIPT FROM THE CLOSET OF SIR KENELM DIGBY, OPENED:

To Make Cheesecakes. Take 12 quarts of milk from the cow, turn it with a good spoonful of runnet. Break it well, and put it in a large strainer, in which rowl it up and down, that all the whey may run out into a little tub; when all that will is run out, wring out more. Then break the curds well; then wring it again, and more whey will come. Thus break and wring till no more come. Then work the curds exceedingly with your hand in a tray, till they become a short uniform paste. Then put it to the yolks of 8 new laid eggs, and two whites, and a pound of butter. Work all this long together. In the long working (at the several times) consisteth the making them good. Then season them to your taste with sugar finely beaten; and put in some cloves and mace in subtle powder. Then lay them thick in coffins of fine paste and bake them.

- Friedman, David and Betty Cook. *A Miscellany*. Published privately, 1988, 1990.

### MODERN RECIPE:

This version of Sambocade is a combination of the recipes from *Forme of Cury* and *The Closet of Sir Kenelm Digby, Opened*, posthumously printed in 1699.

1 nine-inch pie shell  
2 Tbs. heavy cream  
2 Tbs. dried elderflowers  
3/4 lb. cottage cheese  
3/4 lb. ricotta cheese  
3 eggs  
1/4 lb. butter  
1/3 cup sugar  
1/4 tsp. cloves  
1/4 tsp. mace  
1 Tbs. rosewater (optional)

Combine all ingredients and blend thoroughly. (A food processor or blender will do the job nicely.) Pour mixture into pie shell. Bake at 350° F for 45 minutes to an hour, or until filling has set and the crust is a golden brown. Let cool and serve.

Elderflowers can be found at natural food stores, herb & spice specialty shops, stores that carry exotic teas, etc. I find them at my local food co-operative. Don't use a substitution - the flavor of elderflowers is unique and the taste of the final product depends on the real thing. Rosewater is a remarkable liquid that can be found in Oriental, Indian, and other imported food stores. The rose aroma & flavor are strong and powerful - be sure to use the real thing and not a substitute.

# What is the Council?

What makes the Barony work?

The answer may not be what you would immediately think, in truth, the answer is, "everyone." Everyone involved in the different facets of this Barony add to its rich tapestry in their own ways.

Some of have skill sets or a desire to learn and participate on a more in-depth basis and they are great candidates for what we call the Barony's 'Council.'

Our main purpose is to sustain a healthy Barony, with a population that is engaged, growing and participating in the SCA. Oftentimes that takes creativity, brainstorming, event planning, bookkeeping, organizing and so much more! We always welcome your input.

Our goal is to always have a deputy or two for every single position, and that there is always engagement, learning, experience and interest in what is happening at the level of Council. If you are interested, you are welcome to attend a Council meeting as the they are open. If you are interested in becoming a deputy, come to a meeting and let us know what you may be interested in. Likely we will have a good fit for you!

Council is held the first Tuesday of every month at the allthing space. There is always an extra chair if you would like to attend.

# Your Baron & Baroness Update

## Events

In January the Barony of Seagirt held our Gentle Arts event. At this event we hold our Scholars Trials, as well as choose our Arts and Sciences Champion. We had a wonderful time, filled with judging competitions, spending the day with friends, teaching classes and more. Many Seagirtians, as well as friends of Seagirt, came out to support our event and our A&S Competitors.

This year we had 3 Arts and Sciences Championship competitors. Lady Isabella da Firenze, Lady Matilda verch Kynrick and Lady Halveig Sigrunsdottir. Each of the contestants showed off their skills in their chosen topics from late period costuming, early period costuming and dying of fabrics. However, there can be only one, and our new Seagirt A&S Champion was Lady Isabella da Firenze.

We would both like to congratulate our new Seagirt A&S Champion! We look forward to all you will do over the next year. We would also like to thank Lord Saito dono for all his efforts over the previous year. As well, thank you so much to the other competitors. Your hard work was well appreciated and we also hope to see you inspiring the Barony with all that you have brought forth.

We hope everyone had a chance to stop by to see HL Lucy Holgrove's (a most talented Scholar's applicant) excellent exhibit on different types of lace. Thank you, Lucy, for enriching our event with your talent and skill.

## Awards Given

Lady Runa Dagsdottir received the Award for the Silent Harp. Lady Runa has been quietly showing her excellence over the years, and the Barony spoke up to tell us about her weaving, largess making, and impromptu event decoration making skills, and we thought it very fitting to give her recognition in all of these things. Congratulations and thank you for making our Barony more beautiful with your fine skill.

## Thanks

We would like to thank everyone who came out to the event to enjoy it, as well as the people who were behind the scenes making everything possible for our Barony and those friends of our local group. Thank you, Lady Isabella da Firenze, and your event team for putting this on. A big thank you to all of the

teachers from near and far and for the people who set up the schedule and made contact with each teacher to get them there. Your efforts are greatly appreciated.

We would also like to thank our tireless retinue for keeping us running while at events. Your help makes our events run smoothly and most importantly, enjoyable.

## Baronial Updates

We are close to getting out seals made. At that point Lady Esa inghen MacAlasdair was chosen at an earlier date as the keeper of the seal. Once we have this we will be giving the seal into her care so that she may help us out by making seals in advance for our charters and scrolls.

As always please feel free to make largess to share amongst our greater community within the SCA. It does not have to be for any given time or event. If you would like more direction on what to make please contact HE

We are always accepting largess. If you would like to help but need ideas on what to make please feel free to contact us.

# Chatelaine Moments

**UVic Clubs Days** - I attended Clubs and Course Union Days up at UVic and talked up both the Medieval Club and the SCA to those interested. Unfortunately, due to a scheduling error, the Medieval Club did not have enough space for any sort of demonstrations, but there were several interested people.

## Demos

Two demos coming up. February 10-12 at UVic and March 16th-18th downtown at the convention center. Planning meetings are happening, jobs are being delegated, notices to come.

Two more requests for Demos from schools. Again....during the Day, during the week.

**Wall Banners** As well painted banner project is coming along, so far we have eight new wall banners. Some paint has been donated from Sigis and one of our members as well as a private donation from another.

## Gold Key At Gentle Arts

Mistress Janet and HL Tatiana ran a room to create Gold Key for the Barony. They got two more tunics made, but unfortunately it was just the two of them for the majority of the event.

## Business Cards, Pamphlets, and Posters

We need new cards and pamphlets. I'm working with Lady Aniko and Lady Gizela on designs for new ones with updated information.

We have several new rapier fighters! Presently, things seem to be going well.

# Do you have what it takes to be a Herald?

*"Heralds in the Society for Creative Anachronism have many jobs.*

*We are fondly called book heralds, helping to research period naming and armorial practices for the registration of names and armory for the populace.*

*We are voice heralds, calling announcements, proclaiming who is fighting upon the field, and acting as the voice of nobility in court.*

*We are protocol heralds, recording awards and honors bestowed, drafting ceremonies, and determining precedence and other period legal niceties in all sorts of situations.*

*We also work closely with our good friends in the College of Scribes, whose art and artistry with pen and brush make what we do beautiful. Anyone can be a herald. You can be a herald!" Heraldry.sca.org*

Our Baronial Herald, Tristan of Seagirt has done a wonderful job, however he would like to retire his position. If you are interested in learning and helping the Barony in this position, please contact us!

### MODERN RECIPE:

1 pound pork steak  
1 pound ground pork  
3 C beef stock  
1 C dry red wine  
1/2 C wine vinegar  
1 C white bread crumbs  
1/2 C currants  
1/2 C pine nuts  
2 medium onions  
1/2 tsp black pepper  
1/4 tsp cinnamon  
1/8 tsp each cloves, mace and saffron  
Salt to taste  
Butter for sautéing

1. Trim the pork steak and cut it into two-inch strips, and brown the pieces well in a frying pan, over medium heat. Set aside.
2. In a frying pan, over medium heat, brown the ground pork.
3. In a large pot, over medium heat, combine beef stock and wine. Add the ground pork, pine nuts, currants, and all spices except cinnamon. Bring to a boil, reduce heat, and simmer, covered, for fifteen minutes.

4. Cut the onions up in large pieces and, in a frying pan, over medium heat, melt butter and sauté the onions until they are translucent. Stir the onions and the bread crumbs into the pot, and simmer, stirring occasionally, for another ten minutes.

5. Remove from heat, stir in vinegar, cinnamon, and the strips of browned pork steak. Serve in individual bowls.

*Serves four to six.*

### NOTES ON THE RECIPE:

A dish of something-or-other in brewes or in brulette was boiled in a broth or a sauce. This is wild boar in brewes.

Use butter to fry the onions, rather than grease.

Add bread crumbs rather than pre-soaked bread.

# Event Bids!

Why would you want to run an event? There are many reasons! Service to our Barony, a realization of a "vision" or cool idea, bringing together people and getting that feeling of fulfillment on a job well done are just some of the few rewarding things that happen when you do.

We are awaiting bids for SST, SYG 2018 and all 2019 events. Do you want to give it a go? There are a lot of people and resources who can support you in getting started and through to completion.

Hosting an event can be a rewarding and challenging experience. A good event steward will have a team of people in place before putting in a bid, and that will be key to the success of the event and the sanity of the event steward.

Council is held the first Tuesday of every month at the allthing space. There is always a chair available for you if you would like to attend.

And to the set up and take down crew. A great thanks must be said as the hall was decorated beautifully and many hands made, if not light, shorter work. Thank you all so much.

There were also many gifts and door prizes given out with beautiful makings from the artisans of Seagirt. Baron Conall and I were very proud of the members of our Barony and their bardic arts, their duty to service, their excellence as artisans.

# Your Baron has words on being a Scholar

I've had questions from many of the applicants regarding exactly what the role of a Scholar is. I have chosen to share this discussion here in the main page so that any others who are considering application may also consider these words and participate in this discussion.

Scholar is not a title that you work hard to get and then wear as a badge without responsibility. Being a Scholar is a job, not a rank or a title. Scholars are expected to be leaders in the Arts and Science in Seagirt, much as the Sergeantry are leaders in the Fighting community. Should you become a Scholar, you will have a responsibility to encourage and uphold the Arts and Sciences within Seagirt.

There is a short paragraph in Article II of the Scholars document that outlines the Duties and Responsibilities of a Scholar. We will be working in the near future to expand upon and specify these duties, and the other Articles within this document.

Article II says "The Scholars shall swear fealty to His Excellency, pledging the full and unreserved application of their learning for the betterment of the Barony, the Kingdom and the Known World of these Current Middle Ages, both in peace and in war. Further, they shall assist His Excellency in evaluating Candidates and shall at all times comport themselves as true and gentle folk."

Let's break these down a bit...

"The Scholars shall swear Fealty to His Excellency..."

Fealty is a direct oath between individuals, although the exact roles each person takes are dictated by the positions they hold. Both sides of the Oath have responsibilities. The Scholar has responsibilities as laid out herein. The Baron has a responsibility to promote, encourage and assist the Scholars. Like any Fealty arrangement, this can mean having to discuss issues or problems that may arise, as well as positive accolades. It is also the Scholars job to no-

tify the Baron if there is something the Baron could be doing better to promote the Arts and Sciences within the Barony. If you do not have a personal relationship with the Baron that would allow you to give and receive such advice, you should reconsider whether you should be in direct Fealty to that individual. It is assumed that those persons who are entering into Scholars may also be seeking to eventually earn other titles within the Arts & Sciences, up to and including a Laurel. As a person in Fealty to the Baron, it is the Baron's responsibility to promote and encourage you

***"All people within the SCA are expected to be true and gentle folk, and be chivalrous to one another. For people within a group such as the Scholars, your actions reflect not only upon you, but upon the Scholars as a whole."***

upon this path. Remember, the Baron is in direct Fealty to the King and Queen. By swearing Fealty to him you are now a part of the chain of Fealty that ultimately leads to the highest Nobility within our Society. If a King and Queen were seeking information about whether a person is deserving of a particular award, the local Baron and Baroness are one resource they may ask. In fact, as a link in the chain of Fealty that leads from you to the King, the Baron has a responsibility to give full and fair representation of your deeds and actions to their Majesties, both to promote your good deeds and answer for your mistakes (should you make one, as we all do from time to time).

"...pledging the full and unreserved application of their learning for the betterment of the Barony, the Kingdom and the Known World of these Current Middle Ages, both in peace and in war." There is a lot contained in that little sentence, which we will look to build upon and expand to be a little more specific.

The "full and unreserved application of

their learning" can be accomplished in a number of ways. This is a big list... so one Scholar may not necessarily do all of the things on this list.

-Entry into the War at Sealion. There is usually an A&S point, and it is the responsibility of a Scholar to participate and represent Seagirt whenever possible.

-Entry into Arts & Sciences competitions. Representing yourself at these competitions as "John Doe, Scholar of Seagirt" helps to promote you and show off your hard-earned position, as well as promote the Barony we all love.

-Make stuff! You are an Artist... make art! This can be stuff you make for yourself, because it is important that you have nice things to promote yourself and show off your skills as a Scholar to the rest of the world. It can be things you make as Largesse, which can be

donated to the Barony and share your skills and generosity with the rest of the Kingdom. It can be gifts you make for friends or new people.

-Promote the Arts & Sciences through contests and competitions. You can sponsor a contest by donating a prize, or act as a judge or help organize one of the existing competitions that happen throughout the year. When the Baron needs judges to help judge a competition, the Scholars will be the first people he will turn to.

-Teach, teach and teach some more! There are multiple opportunities to teach and to learn within the SCA. We have classes here on Tuesday evenings. There are more formal classes offered within TUTR. You will be pledging the "full and unreserved application" of your learning... this means sharing what you have learned with others. And once again, by representing yourself when teaching as a Scholar of Seagirt, you both build your own credentials as a teacher, and build the credentials of the Scholars as a group.

-Represent yourself as a Scholar. I have touched on it in a couple of points above, but want to emphasize it here. When you accomplish something as a Scholar of Seagirt, you are earning not only your own word-fame, but also increasing the fame of the collective Scholars. And as more Scholars have more accomplishments acts, the collective honour of the group is built and upheld. This is a two way relationship between the group and the individuals within it.

-Other activities can be devised by the individual to help encourage and promote the Arts & Sciences. For example, the plan to have an Arts & Sciences Consultation Table at Daffodil was suggested by a Scholar, approved by the Baron and announced at that very event where the idea was begun. It was then set up at the next event and will be improved upon with suggestions from the Baron and the rest of the Populace.

"...they shall assist His Excellency in evaluating Candidates..."

Part of your role as a Scholar is to assist in the testing and evaluation of Candi-

dates, a process that happens not only at Gentle Arts but throughout the year. At Gentle Arts, you will have a long and busy day!

"...and shall at all times comport themselves as true and gentle folk."

All people within the SCA are expected to be true and gentle folk, and be chivalrous to one another. For people within a group such as the Scholars, your actions reflect not only upon you, but upon the Scholars as a whole. When you do good deeds, this builds the reputation of the group. Should you make an error, the rest of the group or the Baron should have a discussion with you to help you correct the issue.

The last part that is not explicitly stated (but that is implicit in the Fealty Relationship) is that the Scholars Responsibilities can be changed or added to or modified by the Baron at any time with little or no notice. For example, the Baron could say "I want dance to be taught at SST. Scholars, make it so!" And the Scholars would make it so. But as mentioned above, Fealty is a two way street. The Scholars should advise

the Baron and make suggestions. "But Your Excellency, it is 40 degrees out and there is no shade. People are passing out from the heat. Perhaps we could teach dance this evening?" The final decision is up to the Baron. Of course, a Baron who did not at least listen to the advice of his Scholars would not be a wise Baron at all...

So, as can be seen, those two little sentences that outline the Duties and Responsibilities of a Scholar do hold a lot, when you examine them and dig into them a little closer. There is a lot of responsibility and duty to be done, but the honour and value in belonging to the group are far greater than the work needed. As the Baron, I am currently the Patron of this group. When the time comes that I am no longer Baron, I shall have to return as a Candidate to try and earn a permanent position within the group.

Please, feel free to ask questions here or ask the Scholars or myself in person, if you have further interest.

Yours in Service,

Conall, Baron of Seagirt

Daffodil went back to its roots and it was great to get back some of the old ambiance.

ComiCon was very successful!

Lots of event bids are coming up so come to council and be a part of the decision

## Heavy & Rapier in our Barony

*By Branch Marshal – Gizela z Nitra,*

Practices continue regularly, usually a minimum of four rapier fighters. There was an incident on

Sunday the 25th, where a heavy fighter bumped into a rapier fighter teaching newcomers rapier drills. Hold was called a little too late. The proposed solution is to remind heavy fighters they must be more careful in their marshalling, and to have a marshal at all times watching.

Apart from the one incident things seem to be going well.

- Setting up listfields
- Labelling iron and steel keys
- Hold is going to be re-enforced
- YAC is super popular

**The weekend practice is held Sundays 1-3pm**

**The weeknight practice is on Wednesdays 7-9pm.**

**Both practices are held at 693 Hoffman Ave, in Langford**

**Even if you don't have gear, come by a practice to see what we do!**

# DAFFODIL

*What a fantastic event it was!*

*Fights were fought!*

*Awards were won!*

*Feasts were enjoyed!*

*and then there were hats...*

# Archery!

So much! So much has happened! Daffodil was super fantastically fun and successful. We decided to have only experienced archers compete (with an open range for new archers after the end of the competition). This worked out well and we had 12 archers participate from Seagirt, Dragons Laire, Lionsgate, Hartwood and Sigis. Two competitions were held. James Llewellyn won both. He donated his first prize of a leather bracer for next year's daffodil tourney and his other prize for Esa's shoot to Athelina Grey.

Easter shoot! We had so much chocolate and fun! We had guest archers from Hartwood come and observe the springtime frolic of shooting things and winning sweet treats!

Our numbers are up! We have had anywhere between 6-18 archers at a practice! Moving forward if we have brand new archers who require a dedicated marshal, I am going to split the practice into new archers for the first hour, advanced archers to the second hour. As well, for children who are new to archery we are keeping them to the first half hour. This is working out very well!

If you're a senior marshal host a practice (just let me know I'm happy to help!)

If you have a donation for a prize that would be dandy and appreciated!

Summer archery is coming around the corner! There is a poll going on right now on our facebook page - if you want to come and haven't been able to make it due to scheduling conflicts, please let your time preference known!

# SEA LION WAR

The One About the Hats.

May 25 – May 27

45645 Cartmell Rd, Chilliwack

**A Decree has been issued from Lions Gate:**

Come forth, and help defend Lions Gate from the Hat Stomping hordes from over the sea, who have gravely insulted our fair Baron and fearless Baroness with their rude tramlings. cough cough

Greetings dear Barony!

I bring you warnings. The dread Islanders are preparing to invade! They're coming to our lands! They're coming in force! They're coming for our hats!

Baron Connall of Seagirt, in a fit of jealous rage, stomped my gorgeous (and obviously superior) hat into pieces. I implored him to be gentle, and instead, he comes with an army for the rest of our hats. What are we to do? Repel him, of course!

Here then here are the war points for this year. There will be nine.

1. Heavy Combat
2. Rapier Combat
3. Combat Archery
4. Archery
5. Thrown Weapons
6. A&S
7. Champions
8. Games
9. Children

The first two will be our standard three-scenarios battles.

Combat Archery will be described shortly, as we finalize the scenario.

Archery and Thrown Weapons will be a populace-style format, in which all who wish to enter may, but only the top five scores from each Barony will be counted for the point.

A&S: "Hats in ANY medium". This could be a painting of a hat, pastry shaped as a hat, and of course actual hats, the sky is the limit. Documentation is not required but can be included for bonus points. Please keep it to no more than 2 pages and have fun!

The Champions point will be determined by one-on-one competition between the Baronies' Heavy, Rapier, and Archery Champions (or their designated stand-in).

The Games point will be a decided by a 9 Man Morris tournament.

The Children's point will be decided by three items; children's archery, children's equestrian (details to follow!), and best decorated hat! (from craft supplies available on site).

Join us this year in beating back the marauding hordes from across the water! Let's keep our hats!

WAR!

GATE: We will be set up and running as soon as the horses are settled in. Volunteers familiar with the envelope system are absolutely desired: if you are a sign-up kind of person, there will be a volunteer sheet at Gate, for Gate. Any wishing to sit Gate are requested to How to Gate class before the event: I will post about class opportunities here. You must be a member of the SCA, Inc. to handle SCA funds.

HOSPITALITY: there will be a hospitality tent close to gate, where those needing water, coffee or tea or a quick snack can grab a sip and a bite before they run off to set up their war camps. Any and all donations of comestibles may be brought to Gate or the Hospitaller-in-Charge.

## Arts & Sciences

by our Lovely Lucy Holgrove, A&S Minister.

We had a fantastic turn out for our monthly Allthing potluck on Tuesday, April 10, and for the first meeting of the Culinary guild. All together, there were over 30 people out this week! Next week's Allthing will have dance, a Thorsburg Trouser class, and an Introduction to Mar-shalling class.

Come and check us out...

# Recipe of the Month

## Seed Cake

### *Pork Soup*

PERIOD: England, 16th & 17th century

SOURCE: Book of Cookrye and The English Huswife | CLASS: Authentic

Authentic

### ABOUT THIS RECIPE:

**This is an original recipe, based on cake receipts from A.W.'s Book of Cookrye (1591) and The English Huswife by Gervase Markham, 1615. These sources are not medieval, but this type of sweet, almost bread-like round cake was very common during the Middle Ages, and this recipe is an approximation of how this delectable may have been prepared during that earlier period. A round**

**cake such as this is described in Chaucer's Canterbury Tales, where it is compared to the shape of the medieval round shield, the Buckler.**

### MODERN RECIPE:

1 ½ cups unbleached flour  
 1 cup cracked wheat flour  
 1 pkg. yeast  
 1/8 cup warm (100 degrees) ale  
 1/8 tsp. salt  
 4 oz. (1 stick) sweet butter  
 ¾ cup sugar  
 2 eggs, beaten  
 1 tbs. seed (crushed anise, caraway, coriander, cardamom, etc. - choose something flavorful & pleasant)  
 ½ - 1 cup milk

### Instructions:

Sift together the flours and salt; set aside in large bowl. Dissolve yeast in warm ale, along with 1/8 tsp. of the flour mixture. Cream together the butter and sugar. Beat in eggs and seeds. Make a well in the flour and add the dissolved yeast. Fold flour into yeast mixture, then fold in the butter. Slowly beat in enough milk to make a smooth, thick batter. Pour batter into an 8" round greased cake pan. Bake in middle of oven at 350° F for 45 minutes, or until a toothpick inserted in the center comes out clean. Let cool slightly before turning onto a cake rack.

# Grand TUTR

During the weekend of October 26-28th, Seagirt hosted the inaugural Grand TUTR (of hopefully many to come) at the beautiful University of Victoria campus. Over 80 people came through our Gate that weekend, to attend their choice of 45 classes and round tables taught by 29 different teachers. Of particular note was the keynote address by His Grace Duke Styrkarr Jarlsskald on Scholarship in the SCA, as well as the Bardic Moot held on Friday evening, and the Fall Ball on Saturday evening. What a fantastic weekend!

# Your Baron & Baroness Update

The highlight of our first full month as Baron and Baroness, was attending the Tir Righ Arts & Sciences & Bardic Championship.

We are very proud of how well Seagirt represented, including amazing full entries from Lady Isabella and Lord Saito for A&S. And THL Juliana won the Bardic and is now Skald of Tir Righ! Please seek them out, and ask them about their lovely and

informative projects and performances!

We also congratulate our island neighbours, THL Aline for her A&S entry and to Mistress Halima who achieved top score for any entry. We will be very busy this fall with lots of upcoming events, and lots of behind the scenes projects.

As the sea parts, Seagirt rises!

# Our Seneschal has Words!

Changes in Principality Law see report deadlines moved up 15 days.

3rd Quarter Reports due Oct 15 now. Need bid for SYG 2019.

New B&B settling in nicely. Don't wear them out just yet.

## Website Update!

Shortly the Barony of Seagirt will emerge from the Dark Ages (aka "the 90s") and reveal its new online presence! The new Baronial website will make its debut shortly and will feature such interesting oddities as a Facebook feed! Mobile friendly functionality! An award submission form! And other amazing feats of cunning technology and magic.

## A&S Update

HE Lucy Holgrove

Allthings: Monthly potluck drew a good amount of feasters and boasted some new period recipes. We held a Silver Whale info session which drew a large amount of interest --- thanks to Kniaginia Nadezhda, THL Rosamund, and THL Tatiana! Dance Allthing was not well attended, though we did do a few dances. The Seagirt Culinary Guild also held its monthly meeting.

Attendance has varied from 7---20 people.

Tir Righ Arts & Sciences & Bardic Championship: Seagirt was well represented at this event with Lady Isabella and Lord Saito both with great full entries for A&S, and THL Julianna winning the Tir Righ Bardic Championship! Many Seagirtians were in attendance for support, and our Insula Magna neighbours, THL Aline and Mistress Halima also had lovely entries for A&S.

Now recruiting teachers for the rest of the year, let me know if you are interested! Will discuss at council whether or not to go ahead with the potluck --- being a day after the Thanksgiving Holiday.

Will be posting a notice on our Facebook page that I am seeking a replacement for this office. Need new Dance Minister by January 1st, 2019, if you are interesting please contact Matilda.

# Seagirt Swag Auction

Greetings from your friendly Seagirt Largesse coordinator! Having spent several days combing through our stash, I can tell you we have some great handmade items both from afar and ready to leave the Barony to boast of our skills.

We also have a variety of items which, while lovely, are not largesse. Her Excellency, Baroness Lucy of Seagirt, has bid me sell them off in trade for supplies for our artisans. Pictures will be uploaded online, and bidding will remain open until

just before Frost Fair. All items may be picked up at that time or by arrangement if you are out of town.

## New Gallant for Seagirt Sergeantry

A lovely event, with classes, archery, trials, cheese making and the very best reading of the Paper Bag Princess that many of us had every heard.

There was sunshine, in both ray and liquid form, thankfully the latter was short in duration (although copious in quantity!)

Our sincere congratulations go out to Don Matthieu for passing his trials and being accepted into the Sergeantry. Well done!

Photo by Duchess Meaghan

# Changes to Fight Practice and Indoor Archery/Thrown Weapons

First and most importantly, we want to thank Tsai Tienpo for the use of the indoor space in Langford. We have had the space free of charge and have held many practices and worked on our skills. His contribution to all the marshalled activities in Seagirt are appreciated and we have a veritable ton of gratitude for this.

As of November 30th we have to move out as the space is leased to a new tenant. All hands on deck to move would be

appreciated as more people will help lighten the load.

We are currently searching out a new indoor space and would appreciate any leads people can offer.

Please connect with any of the local marshals if you know of anything that might be appropriate.

## Seagirt Summer Tourney

An event with so much archery!

Our new Seagirt Archery Champion is Archos 'Orrible 'Arold of 'Artwood (Harold of Hartwood) who took on Lady Evil (Miranda MacAndrew) and squeaked out a victory (as one does against such a formidable opponent. Many hugs and happy tears were given at the end of the day.

Many rocks were given out, a Beacon (Aniko) and a Goutte de Sang (HL Matilda) at court. A lovely time was had by all (even the event steward who was suffering a summer cold but still worked a perfect event!

Photos by Esa inghean Alasdair

# Tir Right August Investiture in Seagirt

There was a big event for us! We had a Principality Archery Championship. We had a dance. We had a culinary guild dessert potluck. We had fighting in both rapier and heavy.

There was a tearful but sweet stepdown of their excellencies Connal and Letitia as well as an elevation of Edward and Lucy Holgrove.

Oh! And we had an Investiture. The pageantry was lovely. The garb was breathtaking. The awards were heartfelt. The event was successful and left many happy memories in the minds and hearts of those who could make it.

Thank you to those who made it happen

# Recipe of the Month

## Shields Tavern Syllabub

PERIOD: Modern

SOURCE: Contemporary Recipe |

CLASS: Not Authentic

DESCRIPTION: A recipe for syllabub from colonial Williamsburg

### Ingredients

1 1/2 c whipping cream

rind and juice of 2 lemons

1/2 c sugar

1/2 c white wine

1/4 c dry sherry

whipped cream (optional)

### Instructions:

Whisk the whipping cream by hand until it thickens a bit. Add the lemon rind, lemon juice, sugar, white wine,

Whisk the mixture for 3 to 5 minutes until thickened. Keep in mind that too much whipping will turn it to butter. Pour immediately into parfait glasses and refrigerate over-night. The mixture will separate when it stands. If desired, pile whipped cream on top of each glass before serving.

Note: allowing the filled parfait glasses to stand for 1 to 24 hours before refrigerating will result in even greater separation of the mixture.

**We are always accepting largess.**

If you would like to help but need ideas on what to make please feel free to bring some to council or an Allthing!

# Your Baron & Baroness Update Our Seneschal has Words!

We recently attended February Investiture and it was a very successful event. Thank you Seamus, Azriel and Gizela who represented us in the Rapier tourney.

Exciting news! Anthony Hawke was elevated to Silver Yale Herald. Lucy received her Jambe and Anne received a Goutte.

**WARRRRRRR!** According to the

King, there was no official insult, but Lions Gate has declared war (just in time for Sea Lion War, how convenient!) The theme is going to be The Battle of Hasting. Idea's for War Points welcome.

If you have any questions for the Baron and Baroness please speak to them. Please send award recommendations for Sealion please.

Preparations continue for our 2 main events Daffodil and Sealion. A joint Coronet bid with Hartwood is in the works but looking for a suitable site right now. 1st Quarter 2019 comes to an end at months end. Start prepping your quarterly reports!

## Website Update!

**WOW we have an amazing new website! Check out the work that Esa inghean Alasdair our Baronial Webminister has done. It's beautiful!**

**Thank you Esa!**

There have been some updates to the website. I have kept the Daffodil page updated with information as it's posted on Facebook. Also, I have played around with Office 365 Forms as a way to submit Baronial award recommendations. It is a work in process.

## A&S Update

Runa Dagsdottir

Due to the snow we did not have any dance on our February 12th gathering, however our remaining two saw high attendance numbers. I'm sure largely in part due to the sale of Daffodil tickets, but it was delightful to see so many people out.

On the 19th we held bardic, with about 25 people attending. And on the 26th I held a wax linen jar covers/food wraps workshop. That was quite a success. We had about 22 people attending, 8 of which were actively in the kitchen playing with wax.

# Seagirt Scribal Update

Vemundr Syvursson

Daffodil awards & champion charters are all completed.

The new Orca charters (two versions) will be show to Their Excellencies later this week for final approval, and can be announced and available at Daffodil.

At Curia I will be requesting a small amount of money (probably no more than \$20) for the first round of Orca charter printing.

I have a few Kingdom charters available that I will bring to Curia and to Daffodil. Principality charters will apparently be mailed to me soon. Both Kingdom and Principality are trying to control charter printing costs and getting a bit stricter about handing out charter blanks and getting them back; I'll explain that as needed to people who are interested in charter painting.

Runa and I have arranged for a Scribal Night at the end of March, Tuesday the 26th at Althing. I will have charter painting materials and will be asking for input on what people would like to learn, be available to teach, and such.

Thank you to those who helped.

## Gala Fabrics Spring Sale

The Gala Fabric Spring Sale starts the same day as Daffodil. Most fabrics 25% off.

Selected fabrics 50-70% off. Come out Sunday for awesome discounted dress fabric!

# Tsukino-Con 2019

Once again our Fight Techniques Panel was enthusiastically, if sparsely attended (15), with many great questions and excitement. Thank you so much to the several volunteers that came out to support and build our Community.

As well, on Sunday afternoon we attempted a Sewing; Cos play and Tips Panel which was lightly attended followed by a well received Fight Demo which was quite well attended with close to 40 spectators braving the chilly wind. Our fighters and their supporters along with our Chatelaine and her dep-

uties-many, helped answer questions. We let bystanders hold, pose, and photograph themselves with our weapons. They had a great time . All in all it was a successful Demo.

Again thank you, so very much, for all who attended the weekend's Demo and Panels

HL Matilda

## Chatelaine Update

Isabella da Firenze

Quiet month this month with a few extra contacts from people who had stopped by SeaLion. I did not attend SST, but I believe a few newcomers showed up there (I am unsure as to whether they were Hartwoodian or Seagirtian newcomers though).

We were unable to take part in the demo request from Van Isle Comic Con at the beginning of June as I was at Coronet and others were at June Faire.

Athelina as Contingency Deputy – Approved

# Your Baron & Baroness Update Our Seneschal has Words!

We had a lovely time at SST! Thanks to Jaime and his event team, the tournament organizers, and everyone who attended the event. Such a beautiful spot!

We congratulate Lord Ulf as the very first Huntsman of Seagirt - our new Thrown Weapons

Champion! We congratulate HL Elina of York as the newest Marksman of Seagirt!

Huzzah to them both and thanks to everyone who entered - it was a very good showing and we enjoyed watching everyone compete!

Many thanks to HL Athelina and her dedicated crew of assistants for producing the amazing new regalia for our Huntsman (and on short notice). Please post pictures when you can and tag everyone so we can give them all the credit they so richly deserve!

If anyone has award recommendations for the upcoming Trials (or other events), please send them asap!

We look forward to a busy summer!

A quiet summer so far. We are still in need of beds for events later this year and for next year.

SCA changed demo requirements which require waivers from people actually taking part. This, however, also means that we can have spectators actually choose to do stuff now.

Volunteers needed for events and to replace officers who have been doing their jobs for some time now.

## Webminister Update:

Updated the champions and included Thrown.

I'm working on getting the archive Glaucouses online with the help of James Llewellyn.

## Seagirt Scribal Update

Vemundr

I ran a very successful charter painting evening at the June 11th Althing. I forgot to write down names and numbers but we had a good number of people painting or just hanging out chatting about things scribal, at least eight or ten painters and a couple more people hanging out.

Three awards and two Champion's Warrants were created for SST; many thanks to Morgaine Essex, Hallveig Sigrúnardóttir (always!), Esa Inghean Alasdair, and Aspasia Bevilacqua of Hartwood for their efforts and assistance.

The gouache paint buy-in started in May and finished end of June; we had nine palette buy-ins, including one that was paid for anonymously and given to one participant who might not have otherwise been able to manage it, to the overall enrichment of our scribal community.

While we have an active charter painting community here in Seagirt, the core of that group is also the core group of us who do most of the Barony's own awards and warrants, so charter production for Kingdom and Principality tends to dry up for a few weeks before our own events. An expanded group of charter painters who aren't also doing other scribal arts (yet!) will hopefully bump our Barony's charter production up and keep it there!

### We are always accepting largess.

If you would like to help but need ideas on what to make please feel free to bring some to council or an Althing!

## Archery & Thrown Weapons Update

Esa Inghean MacAlasdair

Archery practice is going well in Metchosin. We have been having an average of 8 archers on Sunday afternoon, and we're trying to implement a Saturday morning shoot as well. We have had a few interruptions in shooting due to haying, but now that its over, we can use the field for clouts, etc.

The leather for the SST quiver has been purchased and Athelina was working on finishing it for the event.

I'd also like to see about doing a combat archery class one weekend in July.

Athelina Grey

Practices have 4-12 people in attendance, with 3-4 marshals.

We have a new Baronial Thrown Weapons Champion! Huzzah for Ulf the Huntsman!

Jr TWM class at SST well attended!

Big thanks to Jaime and Wes for hauling targets and for the whole crew who helped mend/build/donate the targets and who helped with set up and take down at the event.

That forest course would not have been possible without so many people working together! Wheee!

## A & S Update

Runa Dagsdottir

Lots of great stuff happening at the Allthings. Dance continues to be quite popular under our Dance Mistress HL Athelina Grey, both on its own dance night, and often a few people dancing in one of the other rooms on the other nights. Bardic is still on hold due to life obligations with our Bardic Mistress. We have been having a potluck usually once a month. And scribal is getting

quite a lot of enthusiasm right now.

Our Baronial Scribe Lord Vemundr recently did a gouache buy in where all who contributed a small fee were able to get a full palette of colors to take home for themselves. We have also been having Lady Isabella da Firenze doing her scholars trials at the Allthings the past month.

For July are having Dance, Needle Point, Scribal, and a Potluck.

photo courtesy of Mike Wood on Facebook

After a few days of recovery (I am still a bit stiff) My Lady and I wish to thank everyone for an excellent Sealion War.

Anne and her team managed to put on a great event in the face of adverse conditions. She has already acknowledged their hard work and we would like add our appreciation for those hardy souls who endured the rain to bring us the best Sealion yet.

We would like to thank The House of Sigis and their jarl, Tadek, for feeding so many and being such generous hosts for the bardic point, being the foundation of the Army of Seagirt, and providing the engineering that launched us to victory in the science point.

The army for the heavy point was a joy for Edward to be part of, and both the heavy and rapier contingents made us proud to be Seagirtian.

The talented bards who entertained the crowd represented us well. We cannot forget the artists who took the theme to amusing heights (I'm serious about the t-shirt idea - Ned). Those who stood in the rain to shoot and throw have our respect and gratitude.

We also were pleased to give out awards to many deserving gentles over the weekend:

Rocks were given to Lady Gisela, Azreal, Lord Tadek, and Lord

Vemundr. His Lordship Harold was recognized as a Beacon of Insula Magna. Saito Dono received a Silent Harp, and was named Thrown Weapons Champion for the day. Her Ladyship Athelina was awarded the Torch & Key.

The results of the war were highly satisfactory: Seagirt took the Arts, Science, Bardic, Heavy and Thrown Weapons points, while Lions Gate prevailed in the Rapier Point and the Archery Point. Thus Seagirt is now undefeated under our tenure (thank you for pointing that out Baron James).

And finally our thanks to our noble opponents who made the weekend so delightful even if they brought a deluge with them. Let peace and amity reign until the world end, or next May.

Edward & Lucy,  
7th Baron & Baroness

# Your Baron & Baroness Update Our Seneschal has Words!

Trials went well. Congratulations to Isabella da Firenze, our newest scholar! Two rocks were awarded, one to Esa and one to Wulfgar.

At September Crown the Tap was delivered with a thank you to Saito and Runa and Greta for making that happen. It is to be noted that the Tap was set up in partial rain and dried overnight in the hall and might not

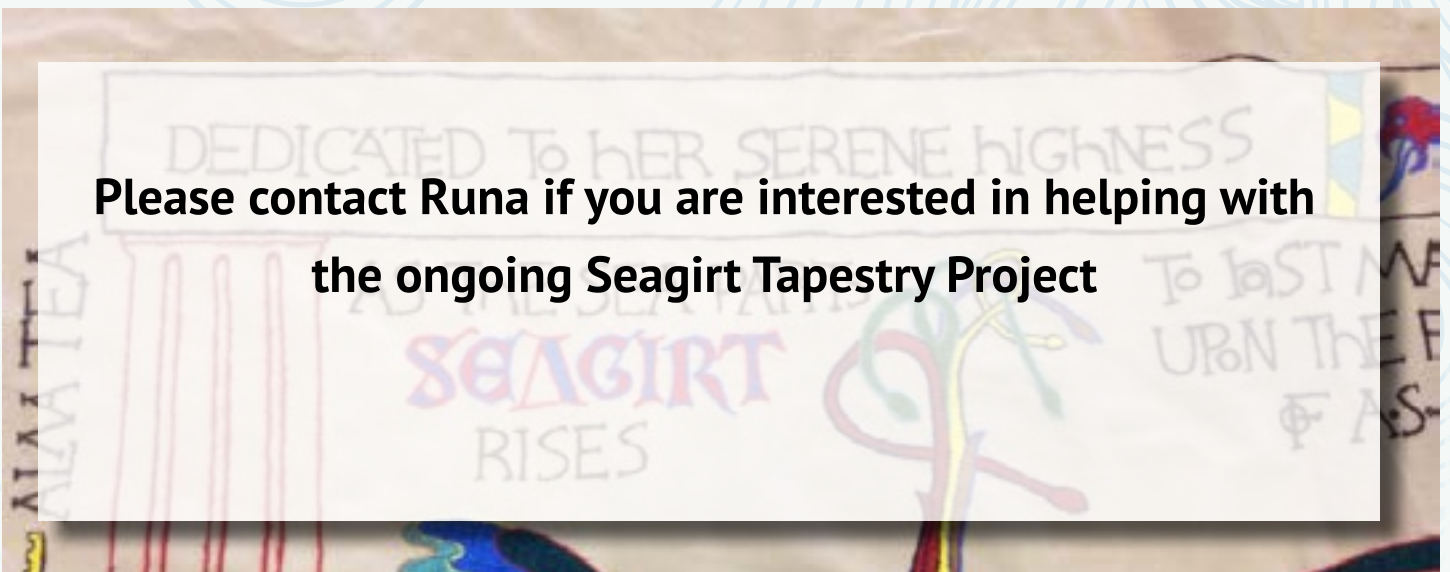

be in order. There is discussion on a set of rules to be put with the Tap to make sure it is taken care of properly when lending it out in the future.

Congratulations to Greta for receiving her AOA at Crown! To Athelina for being welcomed into the Order of the Grey Goose Shaft and the Tersichores Fox! And to Tatiana, for being put on vigil for the Pelican.

3rd Quarter is over. Reports due to Principality on the 15th. CC Seagirt Seneschal and B&B. Only 1 applicant for replacement. Seamus will take over Seneschal at January Curia.

**Please contact Runa if you are interested in helping with the ongoing Seagirt Tapestry Project**

# Seagirt Scribal Update

Vemundr

At Tir Righ A&S&B we were able to hand over a fat envelope of Principality charters and a second fat envelope of Kingdom charters to Their Highness's deputy scribal coordinator.

I have new Principality blanks to give out; current reign runs until February so there's going to be need for more charters yet.

Leslie (Aniko) ran a shading and white-work intro painting class at a recent Althing. Painting Althings continue to be popular, so I guess we'll continue running them!

Next Baronial event at this point is Yule; I'll start bugging Their Excellencies about awards and champion's warrants closer to Halloween so we have a good production lead time.

## A & S Update

Runa Dagsdottir

This past month we had our usual night of dance and revelry, hosted by HL Athelina Grey. We also had a beginners scribal painting night hosted by HL Aniko Melyes where we learned how to make shapes look like they have depth or look 3D. And we also had a games night to assist in finishing up an Orca Scroll.

# Archery Update

Esa inghean MacAlasdair

We have been holding Sunday practices this month and have had good turnout (~6-12 people in attendance). Thank you so much to Athelina and Aniko for running practice and also to James for helping! We are starting to collect "payment" for Tony, the owner of the Metchosin farm (craft beer!). I also put a call out for people to donate money towards replenishing the archery fund and Greta has offered to purchase a child's bow for Seagirt loaner gear (8-10#) - thank you! Also Aniko has refurbished a target butt/frame and will work on others - thank you! Southwood (Duncan) is also planning another archery shoot at Aroc's this Saturday Oct 5.

I wanted to bring up another issue, one that covers all martial activities. Even though someone is the marshal in charge, it doesn't mean they're there to serve you. Its often a thankless job which takes time away from your own love of the activity - setting people up with gear, helping them get started, keeping things safe etc. This is a great community so let's continue to work together and be patient and supportive of each other.

**We are always accepting largess.**

If you would like to help but need ideas on what to make please feel free to bring some to council or an Althing!

I would like to take this opportunity to thank all of the amazing people who came out to support the Tir Righ Arts & Sciences and Bardic this weekend.

I'd like to start by telling everyone about the amazing crew who came out Friday night to help set up the beautiful site we all got to enjoy!

Kimberlyn Weston, you came all the way from Lions Gate when you heard my pregnant a\*\* might climb a later or do something stupid at Investiture - and even though we just met and that was your first event in 20 years - you hopped on a boat to be my hands and feet and support. This event was made by your hand, and I hope you know how much you are appreciated.

Mikolos, you glorious lord of gate. Not only did you sit gate all Saturday, you came out Friday on hours of sleep and a day of suck to run errands, decorate, move things, and be the dependable rock I leaned on so heavily this weekend (and I'm seven months pregnant, I can lean pretty heavily haha). You deserve all the ice cream.

Gisella, you are the person who I can count on to bring joy and fun and excitement to the hardest job. You came out to sort banners, hang things, and run around with sharp objects (pins instead of swords!). You have been on every set up I've ever planned, and I can't tell you how much I love and appreciate you.

Iaroslava, seriously lady. You are the most quiet, sensible, funny, caring and considerate person to grace this fair barony. For someone so tiny, you do such great things. Sorting, decorating, banners, organizing, making sure people are doing well... I re-

member looking for you and Amber to ask if you would put up signs Saturday... I couldn't find you because the both of you had left to go out up signs. I am truly blessed with mind reading friends.

Matilda you couldn't even make it to the event! But when I asked you for help, you brought the beautiful effigies, banners and walls. You organized the whole set up, and what can take 6 hours took only 2!!! Under your talented direction. I was blown away. And when I said I needed you Saturday, you came out at the end of the event and made sure the place was better than how we found it! Vacuumed, clean, closed up, and alarmed. You even accepted my selfish request to wash the table cloths, because I am a fabulous blimp with bending problems. I could not have done this event without you, and I want you to know that.

Seamus, you worked through the most adversity! You deserve all the home made brownie pudding cups. Thank you for bringing stores, staying to help, and being a great support the entire weekend. From working with their Highnesses, dealing with any problem I have you, offering to Marshall... All while also supporting your amazing wife Anne Greystoke who rocked out beautiful performances for Bardic. Anne, thank you for everything and the hugs. I always feel your support and friendship at every event. You both make me feel what it means to be in the SCA family. I love you both.

Tamaya, Vermunder, Halliveg, the amazing Kitchen, Coffee, Tea, crew. Your work setting up everything Saturday, running day food, supplying potluck soups. I don't even need to tell you how much everyone including me appreciated and adored the amazing spread

you provided. The soups were stunning, the biscotti to die for, the pies heavenly. Thank you for all of your help from setting up, taking down, and everything in between!

Aniko, you are a woman of amazing talent. Helping out Friday night, helping me at my table of paperwork/gate set up, running an amazing scribal table day of, and being one of the best people I know. Thank you.

Aspasia let the populace know that you are a treasure! Can you believe! This amazing woman got her nose reset, hopped into her car and drive here from up island. Showing up Friday night because even though she told us she could no longer help due to injury, she wanted to show us her support. Then she sat down and helped make the site tokens! Aspasia. Darling. You are someone who blows me away with your care and consideration and support. I drank more water when I thought of you. Hugs.

Our amazing Baron! Key holder! You did so much for this event. From set up Friday night, working as a judge, being a brilliant voice of reason. At the same time supporting your lovely wife Jacquelyn Smith, the Arts & Sciences competitor extraordinaire - who might I add was another voice of reason, support and moral cheerleading.

I am so thankful to have such an amazing Baron and Baroness that I brings together our community and gives whole heartedly to their populace.

Saito, Runa, thank you for the tapestry. Seriously, I had so many people point out how amazing it was and how they didn't know our barony did such amazing work. On the eve of competing for Arts & Sciences you helped, during the event you were both

amazing. Thank you Runa for letting me send you on errands, and for the hugs. And, for the beautiful smile I saw everytime we talked. Seeing you having fun really made me feel like the event was everything I hoped it could be, and it wouldn't have been the same without you.

Rosamund you literally merchanted the event! So many people loved you coming out and selling and being the life of the main hall all day. You came out Friday, you powerhoused Saturday, and you were apart of why this event was such a fun and successful time! You rock! Special thanks to Ekaterina for helping out and being awesome Friday night too!

I would also like to add a special Thank You!!! Aroc for getting all the paperwork for the tavern, James Llewellyn for knowing how to solve all my last minute event it's imminent problems, and T'sai Tiempo was our amazing tavern

master! He kept us wet, and it wouldn't have been anywhere as fun without him. He also took everything for stores that would have gone in my van at the end of the event - including thrones! - and dealt with it all. Thank you, thank you, thank you!

Morgaine Essex, you are partially to blame for this madness! How would I have been able to make, edit, submit and keep on all the bids, paperwork, hurdles, calendar, and outright insanity that is event stewarding, if I didn't have the most amazing woman to support me. As well as rock being court coordinator! Thank you!

Lenora, I saw you organizing and running everything behind the scenes in the ret room! I can't thank you enough for being an amazing royal ambassador and just the truly wonderful person you are.

Rick Kimberley, the best boss! Thank you for seeing me through schedule changes, judging sheets, competitor ranging, printing, advice - the million questions, arguments, concerns, and confusions on my part! - and your amazing Deputy Eleanor Odlowe! And Annika! And Elspeth!

Sir Liam, Nadezhda Toranova, Iago, Edward, Halima Al-Rakkasa (Who also offered a class!), Garet, Rosalinde, Linnet, Mael, Alicia LeWilfulle, Juahara, Rachele, Stephan Aspasia

All those who came out to judge! (Forgive me if I missed anyone due to changes!!)

Talia!!! Lady about-time Talia! You were

Isabella! Last minute Tutr Coordinator of Oh My Gosh thank you, what would i have done without you? Why are you so amazing? I can't believe you also did all the paperwork. You are a goddess among the masses. Please know I also thank you for everything else you did but my mind is latching on the glorious paperwork and I am just so thankful.

I want to thank everyone else, like Beorn and Adewulf who stayed to take down everything from walls, to chairs, tables, table cloths, pins, food, dishes, court etc... But at that point the amazing people I love huddled me off in a corner and distracted me so I wouldn't get it of my chair! Athelina and Greta I'm looking at you! Morgaine too!

I would truly be thankful if someone who saw someone take down that I haven't thanked for something already could mention it below, they deserve all the love and hugs

I'm sending them!

Thank you Kendra Hesketh, for being a mentor and friend I could really talk to, who gave me the best advice, who kept me from acts of defenestration in times of struggle, and who supported me with empathy and wisdom. I kept you in my heart this weekend and I hope I did you proud.

A special thank you to our most grand Prince and Princess Kheron and Kenna. You are an absolute delight to host and I thank you for the honour of being granted the position of event steward for you and our amazing Principality event. Your grace and generosity and consideration. Your steadfast dedication. Your attention, support and true chivalry. I speak on behalf of myself and my team when I say thank you. It was an honor to serve you this weekend.

**Her Excellency Lucy Holgrove: A&S Champion of Tir Righ**

**Archos Athelina Grey: Bardic Champion of Tir Righ**

not only their for me throughout the event, helping at gate and being a general service monkey - you were also there for others. I want you to know that your are a truly kind and caring person who brings a light heartedness to others. Thank you for being their when people needed you, and for being so wonderful. Hugs.

Ebba. Welcome back! Talking with you brought me great joy and you are amazing. Malys! Dulcet Von Bingen tones! Illumination wizard! Oh my gosh you rock socks. Thank you for completing. Thank you for the hugs. Thank you for the composition piece of chaotic Gaelic "rhyme" scheme. It really touched my heart - and I'm not even from Lions Gate! Enjoy the halva, you deserve it.

Greta Grunwald can I just say you are awesome? Thank you for your help. Thank you for your passion. Thank you for being so inspiring. I know I didn't run you ragged like everyone else so I didn't get to see everything you did, but I just know you did ask the things while I want paying attention - including just showing off how awesome the populace of Seagirt is.
