Given this busy time of year the lack of new contacts is not unexpected. We did have some newcomers come and enjoy the Yule event.

New Chatelaine

Isabella da Firenze (mka Jen Peters) was named the new Chatelaine at December Council and assumes her office at the January Council meeting. Handover of the email account has been done and Isabella has been responding to inquiries and familiarizing herself with the procedures under my mentorship.

I believe she will make an excellent Chatelaine and know that she will be supported by the Barony as she takes on this crucial role.

My final duty will be to compile and submit the fourth quarter report for 2017.

Deputies

At this time I would like to thank my deputies Matilda (Demos) and Letitia (Gold Key) for their work and support during my tenure. Their appointments end with my stepping down and whether they offer to continue as deputies or pursue other interests, I know they will provide useful advice to the new Chatelaine.

Capital City Comic Con Demo

This is nearly upon us and I know that the Barony can make a great impression at this event. Regular planning meetings will be starting almost immediately and it will take sustained, coordinated effort to make it work. I look forward to seeing our Barony shine.

• **Chamberlain** Seamus McDonald of Skye

- Chamberlain report, stores is coming nicely we have received 2 shelving units for Liam and Nadezhda for stores, inventory has had no progress this month with the holidays however we will reboot this task starting at gentle arts

• **Scribe** – Elina Karsdottir

- Awards were created for Yule. Both were done by Aniko. Several other scrolls that had been in the case for a bit also got handed out.
- I am looking for someone to take over as the Baronial Scribe.

• **Chronicler** - Julianna la Bedele, September 2016

- I have a wonderful new deputy of the Glaucous. This year should be full of beautiful newsletters! Please send us things you'd like to put in the newsletter

• **Branch Marshal** – Gizela z Nitra, September 1 2017

- Fight practices continued through December, with lower attendance close to Christmas and one canceled practice on the 27th. Rapier fighters come out regularly. There have been no incidents.
- At the moment things seem to be going well.

• **Archery** – Aniko, February 2017

- No incidents or accidents to report. The indoor range is set up and we had a grand opening mid December! Considering the date (close to Christmas) it was well attended. We brought snacks and beverages to share and everyone cleaned up afterwards. Huzzah! Regular practices to commence in the New Year (2018). We have been discussing breaking the practices up to contain a drill session/short demonstration or talk component with them with input and teaching from various people sharing their skills and favourite drills. Everyone sounded like they loved the idea. I would like to hold an arrow making workshop at an althing soon. Will converse with our A&S minister. If we can't have time then I may hold it at the fight practice space if there is interest.
- If you are a Senior Marshal, talk to me if you want to hold a practice and I will arrange for you to get a key. If you have an idea for a talk/drill let me know and we will arrange for you to teach it
- OR if you aren't comfortable teaching it we can work on finding someone who can teach it to us.

• **Thrown Weapons** – Athelina Grey, September 2016

- Not a lot this month due to holidays and Yule. Gave out tassels to those who achieved an average with Thrown Weapons Royal Rounds. Wondering if there will become a badge for TW like there is for archery for ranks. Looking at possibilities for throwing in the indoor site. Need some backdrop options. Waiting to hear from other branches re spring competitions. Need help making a backdrop for the indoor range, and some more thrown weapon stands. Also need some more rounds as our throwers keep enthusiastically axing them apart! Need to get stands and rounds no later than the end of January. Suggestions/ leads/ help making things are needed!

• **Arts & Sciences** – Lucy Holgrove, February 2017

Upcoming classes will focus on projects for Daffodil.

1) Bardic: Was mostly cancelled in December due to the holidays and moving. One newcomer who hopes to attend more often.

2) Dance: With winter and Christmas, Dance is slow. More Arts and Sciences classes have been offered, often running concurrently and this Minister is teaching some of them. Others have stepped up to teach dance. Offer help teaching others to teach dance. Apparently our Baroness had an idea about that. She had found a packet of info we could purchase help teach Medieval Dance

3) Arts and Sciences classes were fairly well attended in December. Many thanks to HL Mathieu Thibaud Chaudeau de Montblanc for his multi-part class on Safe Books, and Lady Hallveig Sigrunsdottir for her knitting class.

4) Looking for more teachers for classes in 2018, please contact me via Facebook. Classes on any Arts and Sciences, crafts, SCA topics, or largesse are all needed!

• **Herald** – Tristan of Seagirt, June 2016

- Will be seeking Deputy to take over Office in new year by June.
- Nothing at this time.

• **Web Minister** – Seamus MacDonald of Skye, September 2016

- I will be creating gmail accounts for all officers if you already have one please contact me with the address and password, once these are established all officer emails will be forwarded appropriately
- Inform me of any existing gmail accounts and passwords

• **Youth & Families Minister** – Anne Greystoke, August 2017

- I have completed my background check and can now do things officially, work on the colouring book has started and I have gotten permission to use devices from over 25 people so far from seagirt and a few from hartwood. I am hoping to have a survey ready for gentle arts to find out what types of activities the youth would like to see happen.

• **TUTR**, Saitō no Mitsukage.

- The main thing regarding TUTR happening in Seagirt right now is Gentle Arts. We have a couple of great teachers coming in from afar. There are going to be a large number of classes. I will be offering a class on documentation coming up pretty soon. Althing class proposals, and class lists, would be a good thing to receive. That way class attendance can be recorded, and credits provided. Other than that, a list of people and the classes that they are willing to teach, would be a very useful thing.

Incoming Seneschal James Llewellyn Jan 2018

- Effective Jan 4 2018 I will assume the position.....of branch Seneschal. Thanks to Ned for holding down the fort in the interim. I am looking forward to working with council for the betterment of Seagirt. My main focus for 2018 will be Community. What can we do to make our internal Community in the SCA, and our external Community in Victoria, a better environment all round. We will undertake the task of updating and revising our manuals and reworking our operating procedures as needed. Seamus will step up as Drop-dead deputy replacing Ned and Tatianna will step in as deputy of operations.
- Makes a request that officers start including attendance for weekly meet ups in there reports each month.
- The Rocks will no longer be used, and will be dismantled.

• **B&B Update: Baroness Letitia Talbot & Baron Conall MacLagmayn, May Crown, 2014**

- Angus is discussing seal replacements with a new contact. Allow for a one month delay before enough time has elapsed that we will just go and buy new seals.

- Good Morning Seagirt, This past month we had our Yule celebration and it was lovely. There was a potluck feast, carolling, classes, tournaments, people taken on as students, and much merry making and Baron Conall and I both feel honoured to have been able to have been there for it all.

Thank you to HL Juliana and her event team for putting on such an amazing event! It was a pleasure to be there and all of your hard work paid off!

A big thank you to my Head of Retinue Lady Anne Greystoke and all of Baron Conall and my retinue for all of your help organizing us and keeping us watered, wined and fed.

For those who weren't there Conall and I were pleased to give out a few awards to deserving populace.

Lady Gizela Z Nitra is now our newest member of the Order of the Orca! It was a good event for Lady Anne Greystoke who was awarded the Rock of Seagirt, and was welcomed into the Order of the Seagull, which is our polling order for long term service.

Lady Marguerite SaintClaire was given a rock for her dedicated service in Retinue. Thank you so much ladies!

Two of our populace were taken on as students this weekend. Lady Esa inghen MacAlasdair was taken on as a Demoiselle by HL Tatiana Alexievna, and Lady Anne Greystoke was taken as a Man at Arms by Master Garet Doiron. Congratulations!

We also had a few competitions this weekend. This weekend passed we had our Bardic Champion chosen. Two members of the populace chose to compete for the title, they tried and tested HL Juliana de Badele, and a new bardic competitor Lady Anne Greystoke. The judging was much deliberated over and the scores were very close, but Lady Anne Greystoke was the final winner! A big congratulations is in order for both contestants, and huzzah for Lady Anne! We look forward to seeing you promote bardic and teach within our Barony over the coming year.

Also, the Baron and I would like to thank Lord Saito for all of his work as our Outgoing Bardic Champion and look forward to him competing again in the future.

We also had our traditional Feast of Immaculate Confection competition at Yule. There were many competitors, some from close to home, and others who travelled from afar. There were 3 categories, most period recipe, best tasting and best subtlety. Master James Llewelyn took the best tasting category, HL Lucy Holgrove won the best subtlety, and Lady Melles Anniko won the most period recipe. Thank you to all the people who entered our dessert competition!

We also had the 'ugly sweater' Yule outfit competition put on by HL Morgaine of Essex. Many people dazzled us with their costuming 'skills' and in the end the winners were Lady Aniko and HL Athelina. We must thank HL for running this fun competition and all the people who participated.

Thank you to our gracious Prince and Princess of Tir Righ Sir William Mac Brennan and Mistress Nadezhda Toranova who attended our event, awarded our citizens, and be headed no one. It was an honour to be in your presence, and still be alive.

Thank you all who attended, and we wish everyone a wonderful New Year Yours in Service, Baron Conan MacLagmayn & Baroness Letitia Talbot "As the sea parts, Seagirt rises!!!"

We are always accepting largess. If you need ideas on what to make please feel free to contact us.

Lucy has someone lined up to be the Tavern Operator at Daffodil. My Husband Ron/Edward has been in the SCA for 4 years. For 4 years Ron/Edward has done Taverns and Water Point with me. I would like to Show Ron/Edward that there are many wonderful things to learn and do in the amazing game that is the SCA. So after Investiture I will be Semi-Retired from being a Tavern Operator. At this time new Tavern Operators need to step forward to do Events next Tavern Season. I am more than happy to Coach people and walk them through the process from A to Z. People can borrow whatever supplies they may need from me. Being a Tavern Operator is a very fun and a rewarding experience and it is time for new people in the Barony to learn how to be a Tavern Operator. I will be using the Tavern at Investiture as a Training Event to train people about being Tavern Operators and Tavern Crew. Either new Tavern Operators step forward for future Events or they will be dry Events. No Alcohol permitted on site.

UVic Clubs Days - I attended Clubs and Course Union Days up at UVic and talked up both the Medieval Club and the SCA to those interested. Unfortunately, due to a scheduling error, the Medieval Club did not have enough space for any sort of demonstrations, but there were several interested people.

Demos - Two demos coming up. February 10-12 at UVic and March 16th-18th downtown at the convention center. Planning meetings are happening, jobs are being delegated, notices to come.

Two more requests for Demos from schools. Again....during the Day, during the week.

Wall Banners As well painted banner project is coming along, so far we have eight new wall banners. Some paint has been donated from Sigis and one of our members as well as a private donation from another.

Gold Key At Gentle Arts Mistress Janet and HL Tatiana ran a room to create Gold

Key for the Barony. They got two more tunics made, but unfortunately it was just the two of them for the majority of the event.

Business Cards, Pamphlets, and Posters

We need new cards and pamphlets. I'm working with Lady Aniko and Lady Gizela on designs for new ones with updated information. Vistaprint (online store) offers 500

business cards starting at \$9.99 (but may increase depending on choices/shipping).

Fotoprint gave us an estimate in September of 100 pamphlets for \$76.47 (250 - \$125.96, 500 - \$208.07).

Council Approves \$160 for Pamphlets and Cards.

Quarterly report is in. Please feel free to contact us if you would like something in the Glaucous.

- **Branch Marshal** – Gizela z Nitra, September 1 2017

No incidents to report. Regular practices continue. To keep children and spectators safe, we have put up some flagging to demarcate the fight space, and it appears to be effective. We have several new rapier fighters! Presently, things seem to be going well.

We had 13 newcomers last week!

- **Archery** – Aniko, February 2017

No Injuries or accidents to report. I was informed that we are now stowing our equipment in another room at the practice space as a child was playing with our equipment at a fight practice. I feel like this is a solid solution. Society Seasonal scores are up to date of the submission of this report and we are moving forward. Working on Daffodil shoot and have invited our champion to design a shoot as well. I believe for numbers in January we are averaging about 7 archers per practice. \$25 was paid to Caroline who collected and sought out used rubber mats we can use for the upcoming season in a variety of ways. If council can pay for these I would appreciate it, otherwise it can be covered by donations (\$28 in pot). Working on an arrow making day/weekend with drop ins Post Daffodil. Seeking out free sofas for the practice space. If we have to vacate it is \$10 to recycle them down the road which I am willing to take responsibility for. Come to Archery! If you are coming to a marshalled activity please be sure all minors are supervised. If you are participating please bring someone to help. If you have Arrow Jigs please talk to me! The more the merrier, we will tag your gear and make sure it is used appropriately.

Looking for an MIC for Investiture.

There will be an Advancing Norman Shoot at Daffodil. Archery events will be run by the Champion at Daffodil.

Interested in doing a “Bowling Night Archery”.

Please contact Aniko if you have an Arrow Jig to loan her.

- **Thrown Weapons** – Athelina Grey, September 2016

Not a lot in January. Lots of people sick. Curtains donated to help give backstop space at indoor site, and as there are lots and lots of foam mats, some of those can be for spear targets. Discussing target options for knife/axe for the new season. Send me your favourite designs for knife/axe targets!

- **Arts & Sciences** – Lucy Holgrove, February 2017

Allthings - January classes were taught by Master James Llewellyn, Lady Matilda Kynrick, and our special guest Baroness Euriol of Lothian, from the Kingdom of Æthelmearc. Thanks to our instructors for sharing their time and wisdom. Lady Matilda is spearheading a ongoing painted wall project for Daffodil and beyond, and the results have been amazing, thanks so much!

Attendance has been up and down:

January 9th - 12

January 16th - 15

January 23rd - 22

January 30th - 15

Bardic - Has been small (4 people usually) but steady. Currently working on rounds, but also some individual projects.

Dance - Due to other projects and classes, dance has not been happening, though the music is available if anyone wishes to come and lead some dancing.

The next potluck will be February 13th. Is there interest in doing a Valentine's theme like last year? Aphrodisiac Potluck Challenge - bring a period aphrodisiac, get a prize!

Now recruiting teachers for February and March, but concentrating on completing projects for Daffodil

January Council Report

Events

In January the Barony of Seagirt held our Gentle Arts event. At this event we hold our Scholars Trials, as well as choose our Arts and Sciences Champion. We had a wonderful time, filled with judging competitions, spending the day with friends, teaching classes and more. Many Seagirtians, as well as friends of Seagirt, came out to support our event and our A&S Competitors. This year we had 3 Arts and Sciences Championship competitors. Lady Isabella da Firenze, Lady Matilda verch Kynrick and Lady Halveig Sigrunsdottir. Each of the contestants showed off their skills in their chosen topics from late period costuming, early period costuming and dying of fabrics. However, there can be only one, and our new Seagirt A&S Champion was Lady Isabella da Firenze. We would both like to to congratulate our new Seagirt A&S

Champion! We look forward to all you will do over the next year. We would also like to thank Lord Saito dono for all his efforts over the previous year. As well, thank you so much to the other competitors. Your hard work was well appreciated and we also hope to see you inspiring the Barony with all that you have brought forth.

We hope everyone had a chance to stop by to see HL Lucy Holgrove's (a most talented Scholar's applicant) excellent exhibit on different types of lace. Thank you, Lucy, for enriching our event with your talent and skill.

Awards Given

Lady Runa Dagsdottir received the Award for the Silent Harp. Lady Runa has been quietly showing her excellence over the years, and the Barony spoke up to tell us about her weaving, largess making, and impromptu event decoration making skills, and we thought it very fitting to give her recognition in all of these things. Congratulations and thank you for making our Barony more beautiful with your fine skill.

Thanks

We would like to thank everyone who came out to the event to enjoy it, as well as the people who were behind the scenes making everything possible for our Barony and those friends of our local group. Thank you, Lady Isabella da Firenze, and your event team for putting this on.

A big thank you to all of the teachers from near and far and for the people who set up the schedule and made contact with each teacher to get them there. Your efforts are greatly appreciated.

We would also like to thank our tireless retinue for keeping us running while at events. Your help makes our events run smoothly and most importantly, enjoyable.

Baronial Updates

We are close to getting our seals made. At that point Lady Esa inghen MacAlasdair was chosen at an earlier date as the keeper of the seal. Once we have this we will be giving the seal into her care so that she may help us out by making seals in advance for our charters and scrolls.

As always please feel free to make largess to share amongst our greater community within the SCA. It does not have to be for any given time or event. If you would like more direction on what to make please contact HE Letitia with any questions on FB or via the email given on the Barony of Seagirt Website: seagirt.tirrih.org.

Month of February 2018 Report

Events

February investiture was held this year here on the island. Baron Conall and I were in attendance as were the King and Queen of An Tir, Prince and Princess of Tir Righ, the heirs of Tir Righ and the Baron and Baroness of Lions Gate.

We watched as our most loved Prince and Knaginia stepped down after a glorious reign and a new Prince and Princess step up. As usual though we were able to watch people from our beloved Barony be recognized for all their efforts. Many Seagirtians were given awards/favours that day they were as follows:

Awards:

Meagan ferch Meredydd - Raven of Tir Right

Wulfgar Bradaxe - Goutte de Sang
Hawise La Wllemongere - Goutte de Sang
Athelina Grey - Hafoc

Throne Favour:

Iago ab Adam
Edward Holgrove
Leofwyn Lanc
Rosamund Kilpatrick
Isobel de la Vega
Tatiana Alexievna

Prince's Favour:

Morgaine Essex
Iaroslava Borisova
Vemundr of Seagirt
Gizela z Nitra

Princess's Favour:

Isobel de la Vega
Hallveig Sigrunsdottir
Caieya Berribrune Both

Prince and Princess's Favour:

Meagan ferch Meredydd
Sergei

As well the number of the Sergeants of Seagirt rose by one at investiture. Our cousin from across the waters, Baroness Caitrina, released her Sergeant of Lions Gate so that he could be an active member of our own. The members of Seagirt's SYG and myself would like everyone to welcome Lord Dalibor Kravoklastsky.

Thanks

Baron Conall and I would like to thank everyone who came out to this event to help us at investiture. Our retinue worked tirelessly as well as many of our Scholar's, SYG, our herald and the Champions.

And to the set up and take down crew. A great thanks must be said as the hall was decorated beautifully and many hands made, if not light, shorter work. Thank you all so much.

There were also many gifts and door prizes given out with beautiful makings from the artisans of Seagirt. Baron Conall and I were very proud of the members of our Barony and their bardic arts, their duty to service, their excellence as artisans.

CHRONICLER JULIANA LA BADELE 2017-11-05

Minutes have been late due to requests forwarding from people giving oral officers reports. I will no longer be asking for forwarded write ups during council, and instead simply writing everything as it is spoken. Vivat the Dream

Please see Aniko with any exciting events that will be happening. Or, if you have interesting stories from Daffodil or Hartwood Tutr.

BRANCH RAPIER MARSHAL GIZELA OF NITRA 2017-11-01

Practices continue regularly, usually a minimum of four rapier fighters. There was an incident on Sunday the 25th, where a heavy fighter bumped into a rapier fighter teaching newcomers rapier drills. Hold was called a little too late. The proposed solution is to remind heavy fighters they must be more careful in their marshalling, and to have a marshal at all times watching. Apart from the one incident things seem to be going well.

- Setting up listfields
- Labelling iron and steel keys
- Hold is going to be re-enforced
- YAC is super popular

BARONIAL ARCHER ANIKO MELYES 2017-02-12

So much! No incidents or accidents to report. Daffodil was super fantastically fun and successful. We decided to have only experienced archers compete (with an open range for new people after the end of the competition). This worked out well and we had 12 archers participate from Seagirt, Dragons Laire, Lionsgate, Hartwood and Sigis. Two competitions were held. James Llewellyn won both. He donated his first prize of a leather bracer for next year's daffodil tourney and his other prize for Esa's shoot to Athelina Grey.

The week after daffodil was small in numbers (4 archers) however the following week we had 14 show up. We are gaining lots of interest and getting some new archers, so that is wonderful news! With new archers comes a bit of a slow down in range time for the more advanced archers so for the next month I am going to limit the number of arrows per end of practice for new archers to 3 and also split the practice into new archers for the first hour, advanced archers to the second hour.

BOWS! There are good, 22# bows (both left and right handed) at Island Outfitters for \$70 each that come with a bowstring which would be perfect for new archers. I highly recommend them and hopefully we will see some new archers with new equipment in their hands. They are war field appropriate!

BOWLING NIGHT! It is coming! It should happen in April!

1. Come to practice!
2. If you're a senior marshal host a practice (just let me know I'm happy to help!)
3. If you have a donation for a prize that would be dandy and appreciated!

- Posts about marshals and who can be one should be posted.

THROWN WEAPONS ATHELINA GREY 2016-06-01

Practices! Really liking the new big target. Slowly getting more people out. Also, as a fun note, Harold is offering a really cool class about selecting throwing weapons at Hartwood TUTR! Look for ideas for non-standard throwing targets. Come throw things! And always need more hard targets. The one donated by Athelina won't last forever. Also, fundraising ideas would be cool. I'm coming up on two years in the office, and while I'm happy to be extended another year or two, I'd also like to hear from anyone else who would like to help or maybe step up as my replacement.

- Thrown is at 1pm, before Archery.

TUTR COORDINATOR SAITO NO MITSUKAGE 2017-03-01

Daffodil held quite a number of classes, and they were well received.
Not much

CHAMBERLAIN SEAMUS MACDONALD OF SKYE 2017-11-01

Seagirt stores is not in a happy position at this moment, when stores was returned from an event this past month things were put back in incorrect totes, this is at no fault of the event steward for said event as the boxes needed to be labeled and had not been done prior to signing out, people have been helping themselves to stores when myself or a designate has not been present, and returns are happening in the same manner. Event stewards, demo coordinators, members of the populace, who want access to stores must pre arrange with me to sign out and return stores, going forward people who randomly show up to sign out stores on a Wednesday will not get to take anything, if thing continue on this path I will be resigning from this office.

WEBMINISTER SEAMUS MACDONALD OF SKYE 2016-06-01

I am awaiting my computer to be repaired this it has been a dead month for the website, the office 365 conversion will be taking place as soon as I can send the spreadsheet from my computer, as I am approaching the end of my term I am seeking a replacement to take over in July, I will not be seeking an extension as I have now been doing the webminister job for 7 years.

I will require to purchase at most 50 plastic sleeves to label the totes properly therefore I am requesting permission to spend no more than \$25 for these sleeves (7.69 per 25 pack at staples) I am also seeking volunteers for this anyone interested in helping please let me know so we can coordinate on Facebook.

APPROVED up to \$25

This quarter awards were created for Gentle Arts and for Daffodil. There was some great work done by Aniko and Athelina. I greatly appreciate all the work they have been doing. A couple people have been working on Kingdom and Principality charters. After searching for many months, I have found someone who is willing to take over as Baronial Scribe. I will hopefully be passing of the office in the next month or so after some training has taken place.

- **Chronicler - Julianna la Bedele 2016-11-02**

The Chroniclers office will begin keeping track of reports not presented at council or submitted on time.

Thank you, Aniko, for the lovely Glaucous. You are an inspiration to us all for your hard work!

- **Branch Marshal - Gizela of Nitra 2017-11-01**

Rapier attendance was a bit lower for much of this month, and then skyrocketed to 13 rapiers on Wednesday April 25th - so that was awesome! The new list fields, borrowed from House Sigis (huge thank you to Sigis!), have made demarcating the space much easier. I am presently looking for a new heavy deputy to take over, so I'd like any heavy marshals to consider it! I'm looking for someone who is willing and able to attend most practices.

Looking for Heavy Deputy.

- **Archery - Aniko 2018-02-14**

No injuries or accidents to report. One incident of some children being out of control on the range; No control with their gear, running on range, touching / going through gear that wasn't theirs. In response I set aside a weeknight and offered a private lesson with clear instructions. Moving forward any child (under 8) with no experience can not be on the range without a private lesson (which I am willing to offer). I've been breaking the practice into three parts: first half hour for beginner children, first hour for all beginners with experienced archers filling in. The second hour is for more experienced archers. Although the half hour seems short written down, it has proved to be just about perfect for the littles on the range and their attention spans. Numbers are really good, with 18 (Easter shoot), 11 and 7 - and topping it off we have 8 new archers who have had orientation and are shooting. Plans to move the range to outdoors for the May shoot (hoping, weather dependent). Poll created on Seagirt page to help figure out what day of the week archery practice should be. It is looking like two weekend practices are likely. If this is the case I would appreciate another senior or two taking over one of the weekend practices. Also looking around lightly for a Saanich area practice site so we can have one in each area. Have been asking for a loan of combat arrows so I can hold a session with potential combat archers - possibly following a Sunday fight practice - I would like to see if they like shooting them as a start. Offer went out to Hartwood/Duncan to hold a monthly shoot until they have a senior marshal to hold a practice. At this point we are waiting for them to get a range. Offer went out and accepted to hold a practice once a month in Hartwood/Nanaimo starting on May 9 which will alternate every two weeks with John MacAndrew and Harold of Hartwood, giving them biweekly practices. I strongly encourage other marshals to hold practices. I would also love to see classes and workshops held and would like to hear from other marshals interested in holding them.

Seagirt Summer Tourney (SST)

Council Report, May 1, 2018

Event Steward: Tatiana Alexievna

This year SST will be a one-day event to be held at the Chicken Ranch in Metchosin (the usual site for archery practice). At this point there will be the archery championship as well as a number of fun shoots. We are also working on having an introduction to archery lesson.

Baron Connal will be sponsoring a rapier tournament. We have confirmed there will be an information session for Silver Whale, our baronial persona challenge. We would also like to offer some newcomer classes and organize some other activities. If you can help with any of this, please let me know. An evening BBQ will be offered; tickets will be available separately from Aniko. If anyone else wishes to organize other activities, please talk to me and I will do my best to work out space at the event and time on the schedule.

I am still looking for team members to organize Gate, and set-up/tear down. As this is a small event, none of these tasks will be too much of an undertaking. Please let me know if you can assist.

A FB event has been set up and information has been posted on the An Tir event site. Event copy has also been sent to the Crier, however I missed the submission date for the June Crier due to miscommunications with the Tir Righ Calendar deputy. I am crossing my fingers they can still print the copy. This isn't a huge deal if not as we are not expecting any Royalty to visit and give out awards.

A discussion with the landowner is going to happen as this event is much larger than a simple practice. There may be some changes to the financials if he wants to be paid, and be named on the insurance policy. Not conferring with the owner was an oversight on my part and is being rectified. If there are financial impacts, I will let the seneschal know and we will talk with the financial committee.

- B&B Update: Baroness Letitia Talbot & Baron Conall MacLagmayn

At Sealion War this weekend, the Lions Gate forces put Seagirt's invading armies to the test.

On the Armoured field, our champion Ulfgar led our armies and was joined by Baroness Letitia, and many other friends helped us against the horde of Lions. The fight was close and hard fought, but Seagirt was victorious.

On the Rapier field, our Champion Sigurd was unable to lead us due to a recent injury making him unable to hold a sword. However, he found a suitable replacement in Ewein Whowood, former Scar of Tir Righ. Joined by the Baron and the rest of the Seagirt forces, we were able to defeat our outnumbered foes.

In Target Archery, the Lions Gate numbers were far greater than ours. Although our archers did very well, the point was taken by Lion's Gate.

The Champions point was decided by three battles. Seagirt's Jarl Ulfgar defeated the Lions Gate Champion on the Armoured field. Seagirt's Rapier representative Ewein was defeated by Master Godfrey. Lions Gate's Archery Champion was also successful and took the point for Lions Gate.

On the Combat Archery field, two archers chose to represent Seagirt. Despite the best efforts of William and Warrick, the Lions Gate forced prevailed.

Lions Gate also swept the Games, Arts & Sciences and Thrown Weapons points, giving them a decisive 7-2 victory at the War.

On a personal note, it has been a pleasure and an honour to to fight at the last four Sealion Wars as your Baron & Baroness. Letitia and I have both made efforts to be an active participant on the field at all the wars, and it was a bittersweet but fabulous weekend to be fighting for our last Sealion War as your Baron and Baroness. We have been proud to stand at your sides as we all give our best efforts to represent our great Barony of Seagirt.

As the Sea Parts, Seagirt Rises!

Conall, Baron of Seagirt

Letitia, Baroness of Seagirt

B&B Update

Greetings,

A couple of things to report on this month:

-Travel Fund Auction

-SST

Auction

I have been conducting an Online Auction to raise money for the Seagirt Travel Fund to help the new B&B travel. This auction was made possible by donations from the populace, and actually the donations have outstripped my ability to post things (and transport sold items to August Investiture). So I will likely sell the other half of the stuff in a similar auction in the fall.

SST

This past weekend we held our annual Seagirt Summer Tourney and it was a lovely event.

Baroness Letitia and I would like to thank everyone who came out to enjoy the day.

There was much fun to be had with classes and different martial activities and enjoying our SCA friends and family.

The Barony of Seagirt has a new Marksman! The Baron and I would like to congratulate Lord Harold of Hartwood on his becoming the new Archery Champion of Seagirt! While there was many fine archers, Lord Harold took the day.

We would like to thank Lady Esa inghen Alasdair, our outgoing Archery Champion for running a very entertaining Archery Championship tournament! Thank you as well for all that you have done over the last year. You have inspired many in our Barony with your chivalry and your skill.

Thank you also to Master James, Lady Anniko and Lady Athelina, who all sponsored archery competitions. All three organized their own contest, designed their own targets and donated their own prizes. This is a great way to encourage the Archery community in Seagirt. Hurrah!

In a similar vein, Baroness Letitia sponsored an Armoured Combat tournament, donating a prize of a \$100 certificate to Kitsune Leather Craft that was won by Sir Duncan. And I sponsored a Rapier tournament, donating a pair of fencing manuals that were won by Wulfgar Bradaxe.

There was also the opportunity for the populace to meet with the candidates who have put themselves forward to be our replacements as Baron & Baroness when we step down at the end of the summer. All the candidates presented themselves very well, and Seagirt has a challenging decision to make in the weeks ahead!

In spite of the somewhat dangerous winds flattening half of the tents that were there, it was a successful and fun day for all!

August Investiture is coming up, please volunteer!

Thank you to Her Ladyship Tatiana and your team for an excellent event!

Awards were created for SST. I will be doing a charter painting night on July 10th.

Thank you to everyone who made the lovely scrolls that were made. Charter Painting on July 10th. Bring yourself!

Chamberlain – Seamus McDonald of Skye

Inventory of stores has not progressed this month as Anne and I shifted focus to Baronial polling applications. I will continue inventory over the next month to have it complete before syg, stores signed out for sst have mostly been returned with a few items outstanding that will be cleared up this week. We have now received the 2 tents from Lenora and will have them added to the inventory shortly, they did sustain some bends during the sst wind and I am confident they can be repaired at no expense to the branch (bent frame needs to be adjusted back) however they are still useable, following sst more items belonging to the barony were returned to stores that I was unaware of, once again I am asking all members of the populace to report what stores are currently in their possession so that I may add them to the inventory.

Two new tents from Lenora.

We found items on site that weren't checked from stores at the Sheep Farm.

We are having a donation for new listfield stantions.

We need to buy gear clips priced at up to \$100.00 – Put off till next council.

Chronicler – Juliana

My apologies for the late reports. Gizela is wonderful and took minutes while I was away last month. They will be brought to council to review and approve.

Branch Marshall

Practices continue regularly. Last month, due to popular request, we took practice out of the Langford location into Rudd Park (breezier, outdoors, AND we can attract passers-by!). No incidents to report. Things seem to be progressing well.

Archery – Anniko

No incidents or accidents to report. House Sigis has donated MORE BOWS! Hip Hip HUZAZH!! Working on updating consumable archery supplies (targets) and is continuing. Archery is being well attended by lots of newcomers as well as lots of regulars. Royal rounds have been happening. A couple of practices were postponed/cancelled due to the barn being filled with hay. That is now over for the

season. We offered an alternative site which worked well at the Rocky Point Ammunition Depot. As MiC for Seagirt Summer Tourney I would say that archery was a resounding success with many participants and my thanks to those who hosted challenges including Lady Esa Alasdair for her creative and engaging championship challenges. Also a huge thank you to her for being a wonderful archery champion and inspiration to others in the archery community. I would like to also extend my gratitude and thanks for all who are helping me in many ways.

People are regularly coming and helping set up and tear down the range as well as helping run the line. They are the people who allow me to be successful at my job as B.Archer. Archery for July will be on Thursday Evenings at 6PM and Sundays starting at 11am. The question was posed to the archers to choose a weekend day and Sunday was resoundingly chosen. Archery for August will be very challenging. The first weekend there won't be a practice as it is our SYG event. The following weekend I, and a lot of our local archers, will be up island at Hartwood's Champions event. The following weekend will be another event in Seagirt, Investiture, and the following weekend is Crown (followed by Odin's Playground and I am planning on attending both). For the two events in Seagirt, archery will be moved to the actual event, so there will be archery available to the community. I will plan on starting Thursday Archery earlier and will seek out marshals to take the three weekends I am away (although I think for Hartwood Champions we will have very few attending a practice here so I may just cancel that weekend). Finally, congratulations to Isabella da Firenze for being an amazing archery ambassador and I am recommending her for promotion to Senior Marshal. I need a senior marshal to run a couple of practices this coming month, please contact me for dates. (I am planning on attending ATWAR and there may be a weekend in there I will be up island date TBD).

Great attendance. 15 people!

Saturday archery is moved to Sunday 11am-2pm. Archery is happening up to three times a week. The field is mowed now. Royal Archery challenge will be available. Note that Isabella is our new Senior Marshal!

If you wanna learn archery, come out!

Thrown Weapons

Thrown has been happening more often. Added Wed nights as I happened to have a couple free. Going well. I appointed Isabella as my score inputting deputy. Thrown also happened at SST. Yay! Still dealing with family emergency.

[Web Minister – Esa Macalasdair 2018-07-03](#)

I have taken over as Web Minister from Seamus MacDonald (as of July 1, 2018). I will be making changes to the Officers listed on the website (e.g., Scribal, Herald). I will look into Office 365 and Award Recommendations with help from Seamus and James. I have been added as an admin of the Seagirt Facebook group. I have spoken with Chris Hall (Ulfr), Principality and Kingdom Web Minister, regarding potential future changes or updates to the Seagirt website. I have also been in contact with Halima in Hartwood regarding their website. The current site will be maintained and updated. Any changes or additions should be sent to me at Seagirt.Webminister@tirrigh.org

[Youth and Family Minister – Anne Greystoke](#)

I have had conversations with the youth of the barony currently there is no interest in participating in the yafa program, I have asked them to advise me of activities they may be interested in and they have stated they prefer being left to their own to explore the options of the sca. I have offered to act as a mediator between them and the baronial officers to present any ideas they may have.

Pixel is hoping to volunteer with the youth.

SCRIBE – Elina Karsdottir

Last month I taught a beginner charter painting class. 6 or 7 people attended. No scrolls were created this month.

After Sergeants, I will be handing the office over to Vemundr. I will stay on as the deputy to do some training and help out.

Elina

Plans to work on storage are in progress.

Chronicler – Juliana la Badele 2016-11-02

The new email is working well, thank you for everyone who is sending in reports.

2018 SEPTEMBER GLAUCOUS – be prepared populace.

Branch Rapier Marshal Gizela of Nitra 2017-11-01

Practices continue to happen; Sunday attendance however is very low due to events and life and long weekends.

Dankwart has agreed to be my heavy deputy, huzzah!
Can't think of anything at the moment.

Baronial Archer Aniko Melyes 2017-02-12

No incidents or accidents to report. Attendance is WAY up with twice a week practices – although August will have fewer due to events on the weekends. I have a marshal willing to run a practice the weekend of Hartwood Champions so there will be one then. Otherwise, the weekends of SYG, Investiture and Crown will have to be at the events. Thursdays to keep happening on a regular basis. This past Thursday, Hartwood challenged us along with Lionsgate to an archery competition. We came in second place. Congratulations to Hartwood and to all who participated. It was an honour and it was fun as well. I have also been going up to Hartwood in Nanaimo to help run a practice, which is small but the archers are showing huge improvement. I am currently limited in my physical ability to haul out gear and such and want to thank everyone who has been helping me with range setup, running and take down. I am encouraging all the juniors (and seniors) to take the range so they get practice and experience in running a busy range safely. Thanks to James for running the clout shoot, which looked fun and skill testing!! I would like to request a budget for this month to a maximum of \$100 to purchase targets (the faces with the circles on them, not the actual stuff to stop the arrows), some wood and other range supplies to top up what we currently have and have the gear ready and spiffy for the upcoming events this month. I'm willing to do the work but we are getting low on targets, we need arrow points and some small supplies to keep our gear in good nick. Will provide receipts. I was a bit sad to hear that some archers were upset with how busy the range is and they feel they can't concentrate on their skills. Is it possible for another senior marshal to run an elite training session once a week? I would also like to make sure everyone knows that they can ask for silence or quiet when attending any practice and we will all be respectful of anyone's needs for calm and quiet.

From above: Is it possible for another senior marshal to run an elite training session once a week?

I would also like to make sure everyone knows that they can ask for silence or quiet when attending any practice and we will all be respectful of anyone's needs for calm and quiet. Archery supplies not to exceed \$100 (see above). There is money in the fund. Receipt's will come soon.

Heavy Fighting

Couple people out every week. No incidents to report.

A&S – Lucy Holgrove

July Arts and Sciences Report

Lots of people have been bringing projects and have been sharing them at Allthings - thanks!

YAFA – Anne Greystoke

Yafa mentorship Q&A will be happening at Investiture, anybody interested in being a YAFA mentor should attend. I have had two people with interest in becoming YAFA mentors one has had their background check one is still waiting for theirs. So far when I asked the youth what they wanted to do in regards to YAFA they said they didn't have an interest. I am hoping that if there are more mentors then maybe they will get more interested. Baroness Katrina is gifting us a toss him set for the younger kids.

A few newcomer emails came in, and there were several newcomers out and about at SYG and Investiture, which was great to see - but I cannot remember how many (August was a real whirlwind for me personally).

Colwood Seaside Festival - Unfortunately it doesn't look feasible to do at this time as Matilda is unable to attend, and something's come up for me as well, plus all the reservations about that particular event.

Medieval Club - Clubs and Course Union Days is coming up, September 12th and 13th, and it would be great to get people out to demo at it. I will be there both days.

That's all for this month.

Chronicler – Juliana la Badele 2016-11-02

Glaucous plans for October are coming along. Submit your newsletter entries to Aniko.

Branch Marshal - Gizela of Nitra 2017-11-01

Armoured Combat – Dankwart 2018-08-01

Several practices did not happen this past month due to events and the horrible smoke. Dankwart settled in as my heavy deputy (yay!).

Rapier - Gizela of Nitra 2017-11-01

Turnout for rapier has been relatively consistent when practices do happen, usually at least three. Things should pick up as the summer and the eventing season draws to a close.

Archery – Aniko 2018-02-14

As last month's report foretold, August would be a busy month for local events and therefore weekend archery hasn't been running except for the weekend of the 16th. Thank you Athelina for running that practice.

Three NEW targets 24"x24" have been made by myself and Wulfgar. These were made with dock floats we found on sale on UsedVictoria.ca for \$15 a piece, which cut in quarters, turned and wrapped with plastic wrap in every direction possible, a rubber mat inserted and covered using two burlap sacs (thank you for the donation, Jazzy!)

We have been using a prototype on the range for about a month and everyone was liking it a lot so we decided to finish off the last three in time for Investiture. Investiture was great! I spent most of my time at the range as MiC. The champion shoot went well with no incidents or accidents.

The Sunday Arcarius challenge was run by Archos Aline, we had 13 participants, which was more than the squires and cadet's tournament entrants combined. Archery is strong in Seagirt! Huzzah!

I would like to move to both a Saturday and a Sunday shoot for September but I can only do so if someone is willing to commit to one of the days (we are talking about doing 5 or 6 practices max). Seeing as the indoor space is still available we will be looking at a day to organize cleaning the range there in case of in climate weather.

1.

I need someone to commit to either a Sunday or a Saturday practice for the next 5-6 weeks. 2. I would like a party of people to volunteer to help tidy up the indoor space so we can get archery going there once the weather turns.

[Thrown Weapons – Athelina Grey 2016-06-01 Practices:](#)
on weekends when no events.

Average participants: 3-6

Marshals: 3 Jr

New novelty shoots planned. Usually throw some Royal Rounds. And, we're getting close to getting Sr. Marshal stuff sorted.

[Arts & Sciences - Lucy Holgrove - Culinary Guild](#)

August Arts and Sciences Report

Allthings - Usual potluck was cancelled due to being the Tuesday following an event. We did feature an all Dance Allthing but most people seemed to be super busy with events, and August is historically a very slow month. Thanks to HL Elina of York and Lady Malusha Iaroslava Borisova for teaching in August!

Attendance has varied from 10-16 people.

The Seagirt Culinary Guild held a meeting to prep for the amazingly popular period dessert table at Investiture which was an amazing success!

Tentative Schedule for September Allthings...

September 11th - Potluck beginning at 6pm. Culinary Guild Meeting at 7:00pm. SYG Post Mortem at 8pm.

September 18th - Silver Whale Information Meeting at 7pm. Event Steward Round Table at 8pm.

September 25th - Strictly Come Dancing at 7pm.

Now recruiting teachers for the fall.

I am actively seeking a deputy who is interested in taking over this office.

[Web Minister – Esa Macalasdair 2018-07-03](#) ○

Not much happened this month, August was quite busy. Am planning on getting back into the swing of things come September including: general site maintenance and updates on the existing site; continuing development on the new test site; organizing files (e.g., council minutes); and ensure emails are working. One major change to the website was the Baron and Baroness update. I have been in contact with them to discuss which pictures and text they'd like to have representing them going forward.

Please seek them out, and ask them about their lovely and informative projects and performances! We also congratulate our island neighbours, THL Aline for her A&S entry and to Mistress Halima who achieved top score for any entry. There were no inquiry emails this month and I've been mostly focused on the UVic side of things. We had a good presence at UVic's Clubs and Course Union Days, with fight practice being held in the evening on the Wednesday and lots of our members showing up - though there were few students that came out that night. Still, we gained 42 email addresses for the club, and since then we've held two medieval club meetings and had four extremely keen people show up.

That's all for this month.

Principality charters available. Scribal email now used by

- **Chamberlain - Seamus McDonald of Skye**

This past month has been uneventful in completing inventory, mundane life and working evenings has prevented me from getting out there during the week. I will continue to work on trying to complete for year end.

We need to be more vigilant with ensuring the door is locked when we leave, it was brought to my attention that the seneschal showed up early for archery and found the hall unlocked.

- **Chronicler - Julianna la Bedele 2016-11-02**

I did not include an updated attendance sheet with my last minutes due to technical difficulties, and so I would like to propose to add and take away the alternatives posted to the comments in the minutes.

Please note, for anyone who would like to add things to Minutes, that all edits and updates must be made through the following council. I am happy to request the updates a

Allthings: Monthly potluck drew a good amount of feasters and boasted some new period recipes. We held a Silver Whale info session which drew a large amount of interest - thanks to Kniaginia Nadezhda, THL Rosamund, and THL Tatiana! Dance Allthing was not well attended, though we did do a few dances. The Seagirt Culinary Guild also held its monthly meeting.

Attendance has varied from 7-20 people.

Tir Righ Arts & Sciences & Bardic Championship: Seagirt was well represented at this event with Lady Isabella and Lord Saito both with great full entries for A&S, and THL Julianna winning the Tir Righ Bardic Championship! Many Seagirtians were in attendance for

support, and our Insula Magna neighbours, THL Aline and Mistress Halima also had lovely entries for A&S.

Now recruiting teachers for the rest of the year, let me know if you are interested!

Will discuss at council whether or not to go ahead with the potluck - being a day after the Thanksgiving Holiday.

Will be posting a notice on our Facebook page that I am seeking a replacement for this office.

Need new Dance Minister by January 1st, 2019, if you are interesting please contact Matilda.

The development website is coming along nicely. Within the next week I will be sharing it to a focus group (B&B, Seneschal) for feedback and changes. Hoping to be finished and ready to go live by next Council. Legacy pages (e.g., archive Glaucous, previous champions, etc.) will take longer to migrate but will get done eventually. Have received graphics from Vemundr.

B&B finally got access to email: If anybody is having trouble accessing their Office 365 emails or want tips to make it easier to access, please let me know.

The Facebook group will be made into a Page, and our group page will be made into a forum. All pages will now be tied through the An Tir page.

Tutr was great.

This Saturday is advanced charter painting hosted by Halima.

I'm currently discussing manuals on how to file share with Office365. Will be working with people to facilitate this now that we have the emails.

Frost Fair awards!

Baronial Scribal Report for Nov 6th Curia

The B&B commissioned three awards for Fall Ball/Grand TUTR, although only two wound up being awarded.

I did the work for Isabella's Silent Harp award; many thanks to Athelina Grey for taking on Iaroslava's Violante and doing a spectacular job - so much gold!

Prior to Fall Ball I did introductory charter painting sessions for the UVic Medieval Club and at Althing for about five people total.

More Principality charters have been handed out. Her Highness has mentioned that they are very short of finished Silver Wolf charters, which I can personally confirm!

I'll be heading deep into Hartwood on Nov. 10th for a gouche painting workshop put on by the endlessly talented Halima, and will be taking more Principality charters along.

I've been converting our Baronial Book of Scribe into an online-accessible document using the Office365 infrastructure provided by Kingdom, with the goal of making it a complete resource for myself, the other scribal folks of the Barony, and my eventual successor in office.

On a personal note, thanks to those who put my name in for a Silver Wolf, which was a wholly unexpected honour!

Practices have been held regularly this past month, except on the Sunday of the Grand TutR event and Hallowe'en. Rapier fighter attendance has varied from 2-4 this month. The Phoenix Tourney will be held early as many fighters will be attending Baroness' Inspiration in Lions Gate. One new junior marshal was made (huzzah for Azriel di Cabra!) We are presently looking into new locations for the fight practice space. The Burnside Community Centre has been mentioned by several people. We are still looking into possible free spaces, and/or cheaper ones.

Thrown Weapons at Coronet.

TW has happened!

We have been trying out the Thrown Weapons Inter Kingdom Challenge as well as the usual frantic scramble to throw more Royal Rounds at the end of the season. Just waiting for the last of the submitted scores to be processed!

Usual number of participants: 3 - 6.

Usual number of marshals: 3.

In other fun news, we find that rainy weather will quite heavily negatively impact our ability to throw well. But we can still throw for fun in the colder, wetter months! And whatever we throw now will be our "season's best"!

- **Archery – Aniko 2018-02-14**

Baronial Archer Report November 2018

It's been an interesting month! We have lost our indoor practice space, however I would like to acknowledge how much Jaimie has been by giving us free indoor space to practice in over the past year. We are very grateful and thank him.

This Thursday, November 8, we are going to go shoot and then pack up all the archery gear like good tenants. We will follow this up with a barn cleanup this weekend however I can do that myself as it really isn't a huge job and I can do inventory at that time.

Seagirt archers have been on the job trying to find a new practice space for winter that is sheltered. We have a line on two horse ranges but that is very new information and we have yet to contact them (one has a website that isn't working and the other one has zero contact info). We also are looking into the options:

1. Shoot with the Vic Bowmen on Mondays. 1.5 hours \$12 per person at Pearkes
2. Shoot with UVic Archery club. We are welcome to join them and I have been in contact with them. The cost is \$5 for drop in, \$30 per semester. The hours are Mondays 2:30-5:30 and Fridays 3-6
3. Rent a space at the Saanich Fairgrounds. It is \$100 for a two hour session inside a horse riding ring. They said Sundays are the best option. This could be feasible if done monthly. They do require prepayment by at least two weeks.

I have created a poll to see if there are enough people interested to run the Saanich Fairgrounds.

I have taught an arrow making class that was well attended and one enthusiastic archer built an entire set of a dozen arrows with hand cut fletches! Way to go Sybill.

My deputy Esa is being included in all archery activity and she is definitely going to be up to date by the time my term runs out.

- They lost their return ferry receipt, will use the one to claim the cost of return trip

Report: Baroness Lucy Holgrove and Baron Edward Holgrove

The past month has been a hugely busy one with only one week where we were not at an event. It started with November Coronet where Baron Edward witnessed the investiture of the new heirs of Tir Righ. Wulfgar fought in the lists inspired (eventually) by Meles Aniko and acquitted himself well against skilled opposition.

We represented the Barony at the Investiture of our cousins Lions Gate. It was an emotional farewell to Uilliam and Catrina and even more so to our dear friend Master Ewein Whowood. We look forward to many years of peace with Cyneric and Ariana. We will be submitting receipts for the ferry cost for this from the travel fund.

We also represented the Barony in Hartwood for their Yule Feast we were made to feel so welcome and the Hartwoodies served up a magnificent feast on top of a day of fun where Wulfgar Bradaxe shone on the rapier field.

The last event, though technically in December, was The Frost Fair. A Rock was awarded to Lady Aspacia Bevilaqua of Hartwood and a Silver Wolf from their Highnesses Tir Righ was passed on to Zuanna. Her Ladyship Diamante de Magenta earned a place in our court as the new Siren of Seagirt.

Finally, we would like to recognize the work of his Excellency Baron James. Our Seneschal has our full confidence and thanks for all the hard decisions he makes on behalf of all of us.

Edward & Lucy, Baron & Baroness of Seagirt

Seneschal

- Suggest that Officers have their quarterly reports ready Jan 1.
- Check when your membership expires, don't let them lapse.
- All Greater Officers should have contingency deputies – get the paperwork filled out.
- Rules – negative laws can't change (e.g., living together). Can change positive laws (e.g., signing contracts). Rules are intertwined, can't change rules individually, have to check what else that affects (rules saved in many places). Policies, laws, kingdom/principality, baronial customary, personal preference. Talk to someone before asking about rule changes.

Report: James Llewellyn 2018-01-04

Yearend / 4th Quarter reports can be started after Dec 31. All officers should check their membership expiry if they haven't and ensure that they are up to date. All GREATER officers are required to have a contingency deputy with a completed warrant. If you do not have one please attempt to get that done soonest.

A reminder that when checking Rules/Laws/Policies/Interpretation that it pays to speak to the officers involved before making blind interpretations.

- Would be nice to have pictures of all awards given/received. Maybe on website?

Report: Vemundr 2018-09-04

Frost Fair had a pair of awards done although only one was delivered, as well as the Baronial Bardic Champion's Warrant. Thanks again to Baron Edward for the wordsmithing on the Baronial Bardic Warrant and to Gizela and Esa for splitting the work on Aspasia's Rock.

On November 10th Hallveig and I went up into Hartwood for a gouache painting workshop held by Halima. It was a great afternoon and a chance to meet some of the scribal folks up there.

I'm hoping to use the gap between now and Daffodil to start a discussion and get more information about scribal goals and desires in the Barony, probably starting with an open scribal discussion session at an upcoming Althing early in the new year. This has two goals, encouraging scribal arts in Seagirt generally, and more specifically giving me far more information than I currently have about who is capable of what by way of calligraphy/art/etc in specific styles.

On a personal note my name, device, and badge were just passed by the Society College of Arms in the most recent, which is a nice milestone.

Chronicler

Branch Marshal (Rapier) Gizela of Nitra 2017-11-01

We officially are out of the Langford location. Practices were mostly regular this month, with some not occurring on event weekends. No injuries to report.

Archery

- Tassels were given out at Frost Fair. Thanks to Runa for sourcing materials, and laminating signs.
- FB Poll for practice at Saanich Fairgrounds for Dec 8 – not enough people confirmed.
- New shooting space at Percival's – 2 covered riding rings, lit to allow evening practice. He works shifts, will know his Jan schedule soon. Once a week practice. Can store stuff on site. No toilet facilities! Also do not wander on site, please respect the owner's privacy. If all goes well, we could maybe use this space in the summer. Could have several practice spaces: Metchosin, Percival's, Fish and Game.

Archery Marshal: Aniko Melles

Thrown

- There have been a few practices, last minute scoring.
- Have permission for winter practices at Metchosin sheep farm, weather permitting. Sundays – thrown as well as archery.

Thrown Weapons Marshal: Athelina Grey 2016-06-01

A&S

- Have been asking populace what they'd like to see (polls, questions, etc.).
- Has lot of A&S supplies at home now, can use for A&S purposes.
- Looking to re-start weekly bardic circles.
- Athelina new Dance Minister! Starting in January.
- Althing's are not paying bills, we're not covering costs. Contribute more? Schedule less? Revisit in January. \$300-375/month, usually bringing in <\$100. "Rule" of paying 60% was chosen, can be changed. If not cash – can we pay differently? Can't do eTransfers. We will discuss on the Facebook Forum? Suggestion of "Fun Pass" – pay for card, get set # of activities. Would someone administer that? SEE NEW BUSINESS FOR MORE DISCUSSION.
- Sewing machines – We have 2 machines, neither work. Would be nice to have working machine at Althing? Caroline had them assessed at Sawyer Sewing Centre, not working at all. Minimum \$105 maintenance, plus parts if required. Might be better idea to purchase new sewing machine for same cost (~\$200), better use of our money. Look for refurbished machine? People can check Marketplace, Used Victoria, Cloth Castle, or store with

warranty? Approved up to \$250 for a new sewing machine, Runa to look for new one for Boxing Week sales.

Report: Runa Dagsdottir

Attendance to allthings has been good, ranging from 10-15. Not much has been happening regarding A&S, mostly just in the planning stages. Looking into getting any A&S supplies there may be in stores and going through them. Awaiting a few things to be brought up at council in regards to getting supplies and funds for some projects and repairs. Such as utilizing some of the supplies in stores that need to find new homes. And getting funds for replacing the heraldry tunic, and possibly repairing or replacing a sewing machine.

Gauging interest in various activities within the Barony and how often the populace would like these activities to take place.

Currently looking into bringing some more interest to dance. Also looking into what is needed to repair or replace equipment, such as scratched discs.

Herald

- Not present or sent a report for past 3 councils.
- Seneschal will contact Herald and talk with Principality Herald.

Herald: Elina of York 2018-07-13 - Absent

TUTR

- Frost Fair well attended.

Report: Saito no Mitsukage 2017-03-01

The only thing that I have to report is that there were TUTR classes at Frost Faire.

Other than that I don't have anything else to report currently.

UVic Medieval Club

- Demo this week
- Calligraphy last week
- Planning session for next semester – e.g., equestrian?
- St Giles – got letter from B&B, have reminded Principality Seneschal (officer change-over will happen in February – maybe email both? Ljotr is currently Seneschal at Krakafjord). Hoping to hear back in next few days. Would be nice to get resurrected for Daffodil.

Event updates

- Frost Fair
 - ~60 people
 - Made profit of \$683
 - Post-mortem will be held on Facebook Group Forum – good, bad, ugly. Constructive comments welcome. If you didn't like something, please suggest an improvement. Please be respectful and not rude.
- Tsukino Con – no update
- Comic Con (March)
 - Ideas for demo, e.g., have computer hooked up to TV screen to show SCA 'Dream' video
 - Photo booth (like Hartwood Yule)
 - Have an outside demo, like the museum demo
 - This is a huge event, high profile. We have to prepare and practice and make SCA look good.

Morgaine:

Tentative contact has been made with ComicCon staff (an email was sent to Jazzy, which she forwarded to me, then I replied). I'm hoping once both me and my computer are functional to do a follow up email.

I have a couple of ideas for the demo. One would be to have a tv hooked up to a laptop running a continuous loop of the "Dream" videos, and anything else that has good production value. I'd also like to borrow a tablet to record names and email addresses of interested people. Much better than pen and paper. And if we are going to do a photo booth, I'd like for us to take the pictures and send them. That way we have their contact info.

I'd like to have a nicer display outside as well (coughWulfgarough). Something along the lines of what we had for the Museum demo. All of the armour bags, water bottles and other stuff should be well hidden

I'm also going to be cranky about people's garb. Wear your best court garb, not camping garb. And if your armour is scruffy, let me know and we'll throw a tabard over it. This is a high-profile event and we want to show our best

- Daffodil
 - Menu to be sent, will be posted (Ken Giles). Will post ingredients online.

- Tanist/ban-Tanist will be going to Gulf Wars. Seneschal to talk to them to convince them to come.
- Tickets will go on sale soon
 - Aniko will make tickets, look into hotels
 - Hawise – Vendors?
 - Kat / Lin – Gate
 - Esa – Ticket sales
 - Vemundr – Invitations
- Sealion
 - B&B will plan for war points, more info in new year
- SST
 - Denman Island
 - Canada Day weekend, short ferry

New Business

- Council will be moved to Jan 8, 2019 (January 1 is the first Tuesday).
- Exchequer needs to do year end – please cash all cheques received!
- Extended discussion: Althing costs and budgeting
 - Reminder to pay at events, e.g., ‘rattle box’
 - Put box near coffee, people donate to coffee kitty
 - Auctions, bake sales, etc. to subsidize
 - Raffles, 50/50 draw
 - Must specify what the money is going towards
 - Events make money, can we use that money (however we can’t really depend on events to cover the costs of the Barony)
 - Some people feel that if you come to Althing, you should be contributing
 - Can’t have a sign-in sheet, some people felt pressured to pay
 - Baronial membership - \$50/year? (similar to Lions Gate, however is this ‘allowed’?)
 - \$3600/year for hall rental (~\$4000)
 - James – Try some of these suggestions out and revisit in a few months.
