## A NEW PEER OF THE REALM!!

Congratulations to the ever talented and service hearted Mistress Tatiana Alexievna.

Mistress Tatiana has been an active member of the Barony of Seagirt since long before my time, and as long as I can remember she has been there to help volunteer, hold office, and lend an intelligent and well thought out suggestion to whichever problem arises.

She is most known for two things: Her excellent persona development and her years serving at the Tir Righ Chronicler, making the Northern Sentinel.

Mistress Tatiana took on the Northern Sentinel and spread news of Tir Righ and her people. She painstakingly gathered stories and interesting knowledge from around the Kingdom to grace our humble news.

When at events, she is a natural born leader. She can take charge and direct with the air of an experienced steward. Her skill at inspiring others to meet their potential is in itself, inspiring. When she Event Stewarded Avacal Tir Righ War / Nakusp Demo (AT War), she reached out and organized many talented individuals from across our lands to show and deliver. Artisans, Fighters, Musician... The banners flew high over the field and thousands of people celebrated and enjoyed the fruits of her labour.

We in Seagirt rejoice at our newest member of the Pelican.

Congratulations,

Juliana la Badele

## A NEW VIGIL!

Congratulations to Mistress Morgaine Essex!

12<sup>th</sup> Night this year saw one of our amazing populace put on Vigil for the Order of the Pelican.

For anyone who has met Morgaine, this should come as no surprise. She is a pillar of our Kingdom. She is most recently known for her work as the Silent Hand Herald – bringing accessibility to those who need it by signing for Court.

But her service goes much deeper than that.

Over the years, Morgaine has acted as the Events Deputy for Tir Righ, Seneschal of Seagirt, Baronial Scribe, Youth Combat Marshal, Deputy Seneschal of Ramsgaard, Web Mistress, Chatelaine, and so much more. She has clothed everyone from newcomers to kings. She has been a water bearer, an illuminator, a teacher, and a friend. Whenever there is need for counsel, she has been there to listen and give good advice. It is an honour to have such a lovely lady in our Barony, and we would like to say Huzzah and well deserved.

## ~THE PLAGUE TIMES~

Due to the most unholy plague ravaging the countryside, our glorious rulers have declared: Stay at Home.

All events, meet ups, social soirees, or gatherings of all kind are henceforth cancelled until MAY 10th.

Please take this opportunity to work on projects at home. And WASH YOUR HANDS.

This has been a public service announcement from your friendly neighborhood Chronicler.
