Join us every Tuesday from 7PM -
9PM for a virtual A&S social!

The first Tuesday of every month
does not have a gathering, or will
start later, so as not to interfere
with Baronial Curia, so keep an
eye on the Facebook forum!

A GREAT CHANGE IN SEAGIRT...

Their Excellencies Edward and Lucy Holgrove will be stepping down, and two new gentles will take up the mantle and serve as our new Baron and Baroness!

Important note: You can only participate in the Baronial polling if you are a *paid* member and you are a resident of our Barony. Baronial polling is open now.

Baronial polling is NOT a vote, it is merely a tool for their Royal Majesties to see what the populace thinks. Ultimately, the choice is up to the King and Queen.

With our candidates chosen, it is time to get to know their plans for Seagirt...

HL Seamus MacDonald of Skye and HL Anne Greystoke

The Honourable Lord and Lady Seamus and Anne have been actively involved in the Barony for many years, holding offices and seeking the growth of our community. When asked what their vision of the future of Seagirt was, they wanted to look to the past and bring back lost traditions of tavern nights, post-event revels, and Summer Champions at SST. As his lordship said, "we need to take care of our own as well as foster the growth of our Barony."

Saitō no Mitsukage and Runa Dagsdottir

Saitō-dono and Lady Runa are relative newcomers to Seagirt, but have quickly dug their heels in and made great strides to further arts and sciences within the Barony. Their self proclaimed goal is to bring the Barony closer together, encourage us to challenge ourselves, and to be the gateway to newcomers into our amazing game. Saitō-dono adds, "it would be my chief aim to be the best evangelist for Seagirt... and remind people that we're awesome, too."

HL Wulfgar Bradaxe and HL Anna Melyes

His Lordship Wulfgar Bradaxe and Her Ladyship Anikó Melyes are longstanding and dedicated citizens of Seagirt, working hard to further both the martial activities and arts and sciences, serving as go-to teachers and guides. Together they plan to grow the Barony by holding public Althings, as well as bringing pageantry and pride to the Barony. "Let them shine," Anikó says. "People grow and bloom when they are encouraged to work on what speaks to them."

No matter who is chosen, the Glaucous wishes all candidates the best of luck. It is clear that whatever the outcome, Seagirt is in good hands.
