Seneschal – Isabella da Firenze 2022-01-04

Social Media Deputy – Roza Kalenik 2019-05-07

Happy to be taking on the role. I'm currently reviewing pertinent documents and getting settled with the email account. Paperwork will be completed with Seamus after the meeting and sent along to Principality.

B&B Update – Baronö Aniko Melyes and Baron Wulfgar Bradaxe 2021-05

Now starts a new year at least modernly. We are unable to attend 12th night as 1. Covid and 2. Wulfgar's employer has put a restriction on his leaving the country. We are really looking

forward to seeing everyone and acknowledge how difficult it must be for everyone as it was apparent at Yule how MUCH we all missed each other.

Speaking of Yule! What a wonderful and chill event (yeah, we did that). Our thanks to the organizers and volunteers who helped make this event one to remember. There was snow, ice, sunshine, smiling faces, hot food, fires and also refreshing to see how many people were respectful of the covid precautions and others' boundaries. We also are grateful that the Princess and Prince were as graceful as they were when our streamed court had to be changed up at the last minute.

Awards were handed out, both on the Principality level as well as MANY Baronial level awards. We want to check in with who is submitting them to Dexter Gauntlet, who are you and let us know how we can help if this got lost in the shuffle towards the holidays.

We have some new Champions! Congratulations to Halliveg and Fionnguala for stepping up to the challenge and being victorious. Also thank you to those who participated, judged, organized and generally helped with both challenges.

Also I am SUPER excited to see how Halliveg has taken her role as Champion so exuberantly and has organized challenges to take place throughout the year! Way to go!

We have had one Noble Estate meeting in December, it was a bit sad as there are a lot of people deeply effected by COVID and to hear their plight was pretty heartbreaking. We have also agreed as a group to meet more often online as it seems there is a need to connect on a more frequent basis.

We also were informed about the loss of the land we use as an archery and TW range. Although this is unfortunate we have nothing but thanks towards Tony as he has been more than generous with his property for the last ten years. We also know and will likely hear at council that some options are opening up so, hopefully come the warmer months we can still have fun practicing.

Be safe everyone, make good choices and let us know how we can help.

Yours in Service,
Baronö Aniko Melyes

Armoured Combat – Beorn Bjulfrsson 2021-06-01

Hi all,

No practices for December.

Plans to resume practices Dec 09. Each practice I'll bring out the book and mead for prizes for the champion of seagirt practice I've been planning for a while. It seems every time I announce it gets cancelled so I'll just bring it every week until we have enough to actually hold a tourney.

Rapier – Gizela of Nitra 2017-11-01

Archery – Greta Grunwald 2021-02-02

Hello!

A couple small notes and then a big thing for this month's report.

No practices were held in December

Jessica made a cool reindeer target that we hope to get to use in future as we did not have a December practice.

We were out of weather resistant target faces so I purchased and donated a batch of them last year.

Now the big thing. The practice space that has been kindly lent to us for free for many years is no longer available. We're in the process of looking for a new space; if you have ideas of good places to hold missile practices please let us know!

We have been asked to remove all Baronial equipment from the barn by the end of January. We're hoping to organize stores so that there is room there to put things as we look for new sites. There is a lot of bulky stuff at the barn. If you have a large vehicle or truck and are available to help drive things from Metchosin to Victoria, help would be appreciated! We haven't picked a day yet to do this (snow, pandemic) but it should be done soon.

Greta Grunwald

Baronial archery marshal

Thrown Weapons – Athelina Grey 2019-05-07

Greetings!

There was sadly no thrown weapons in December.

As with archery, we will have to look for a new space.

Thrown weapons supplies will be moved to stores in the mean time (though some rounds may be temporarily stored at Athelina's or Greta's for sanding and maintenance).

We're talking with a few folks about options for thrown - it's a bit easier to get throwing happening than archery for space reasons.

Will continue to look into locations.

Also I can't remember if I actually extended my term this year. Adalwolf is training towards potentially becoming Branch Thrown Weapons marshal sometime in the future times, and a couple other folks are working towards their Sr TWM authorizations. (This is a long term process in general, but yay!)
