Seneschal – Isabella da Firenze 2022-01-04

Social Media Deputy – Roza Kalenik 2019-05-07

Forgive the lateness of this - I got my Covid booster yesterday and have been in such a fog.

Luckily the report isn't long. The month was quiet, with no events, and just a financial committee meeting since the last council.

Thanks to a suggestion from the Baroness, there will be a Seagirt Community Plan in the works to help guide where we want Seagirt to go and how we can make decisions to get there.

I may have forgotten something because I am not entirely coherent yet, but I think that's it.

Armoured Combat – Beorn Bjulfrsson 2021-06-01

Hi all,

No heavy or rapier practices for January but will continue to hold the space and time open for anyone interested.

Unofficial chats suggest that the rapier community might want to hold a rapier only practice on other days but will make an official announcement once it has gotten some steam.

Cheers,

Beorn Bjolfsson  
Seagirt Marshal

Rapier – Gizela of Nitra 2017-11-01

Archery – Greta Grunwald 2021-02-02

Hello! The following is my report for February's council.

No practices were held in January

All Baronial items have now been removed from the former practice site into stores.

A huge thank you to everyone who helped in that effort - it went much faster and more smoothly than I was expecting!

HE Aniko Melyes, HE Wulfgar Bradax, and HL Ts'ai Tien-p'u organized stores so that there was room to put more stuff in.

Archos Athelina Grey and I preorganized and cleaned the barn prior to moving things.

HL Seamus MacDonald of Skye, Viscount Kheron Azov, Archos Athelina Grey, and I cleaned out the borrowed barn space and moved all the equipment to its new storage.

Thank you again to HL Ts'ai Tien-p'u for the continued loan of storage space to the Barony.

Investigations for a new practice space are ongoing! If you have more ideas, please let us know!

Thanks,  
Greta Grunwald  
Baronial archery marshal

#### Thrown Weapons – Athelina Grey 2019-05-07

Greetings!

We haven't done thrown weapons this month due to lack of site.

We did move thrown weapons things into Seagirt stores: big thanks to Wulfiko and Jaime for prepping stores and Greta, Seamus, and Kheron for helping haul. It went super smoothly!

Still gently looking for and comparing potential new sites, but I'm not smashing my face on it yet as the weather is still often icky.

We do have a few folks who may be interested in working toward Sr TWM over the next season, and I'm keeping in touch with TW marshals throughout the principality to try to help connect aspiring marshals with events to get experience at. Let me know if you'd like to learn how to help out! You don't have to actually physically throw things in order to marshal it!

Rawr!

- Financial Committee Meeting on Jan 22:

- No officer budgets aside from Seneschal and Exchequer because income is unpredictable this year.
- As we approach 2023 budget officer budget requests will be looked at.
- Questions about how long we want to allow dedicated funds to sit before being returned to the main account; i.e. travel fund for B&B.
  - Setting up new dedicated funds with a specific time frame in mind will allow us to better track dedicated funds, as well as discontinue obsolete funds.
  - All new money will be distributed for specific projects as brought before and approved by Council.
  - Asking all current dedicated funds made in the old way to spend that money ASAP so we can clear those accounts.
- Official budget will be returned to next month.

Chamberlain – Runa Dagsdottir – 2020-11-03

Hello,

Some damaged socket spears have been removed from stores so that Baron Wulfgar can turn them into a trident. The Baronial Tent awning is now in stores. The plastic shelving units have now been put up and stores organized. One brazier is out for repair with our B&B. And three wood tables and one folding plastic one were added to stores.

Thank you  
Runa Dagsdottir

Scribe - Vémundr Syvurrson 2018-09-04

Greetings,

Didn't manage to get January or December reports in (derp) so this is a combined report!

Winternights was glorious. Thank you again to the scribes who contributed: Baroness Elína Kársdóttir, Dame Morgaine Essex, Lady Isabel de la Roche, and Lady Greta Grunwald.

We do not currently have any scheduled upcoming events, although if the end-of-April Seagirt Champions happens it will have court and awards. Get your recommendations in to Their Excellencies!

I am still looking for a deputy who might be interested in taking over as Baronial Scribe eventually.

You absolutely do not have to be any kind of scribal genius to be Baronial Scribe, it is primarily an administrative and cat-herding position.

Broadly, the duties of the Baronial Scribe are:

- Arrange the creation of such awards, charters, and warrants as Their Excellencies Seagirt request of you. This usually means connecting with the B&B six weeks or so before an event to get names and awards from them, connecting to your scribal group (we have a private FB chat group) to find calligraphers and artists, and arranging for everything to be signed and sealed at or before the event in question. This includes having custody of the two Baronial Seals, which is the Signet part of the job.
- Arrange for charter blanks to come in from Kingdom and Principality, go out to painters, and go back up to Kingdom and Principality painted and ready to be awarded.
- Encouragement and nourishment of the various scribal arts so that the previous two points are easier and more fun for everyone!

I'm happy to stay on as deputy as long as needed, and other deputies can be appointed at the discretion of the Scribe and with the B&Bs approval. If you are interested or just have questions please contact me by email ([seagirt.scribe@tirrigh.org](mailto:seagirt.scribe@tirrigh.org)) or on FB to chat!

In service,  
Vemundr Syvursson  
Seagirt Baronial Scribe & Signet
