Hello!

We had an event with archery in April! Thank you Archos Athelina for being the archery MIC, and running a fun sheep-themed tournament!

Baron Wulfgar and Baroness Aniko mended one of the cardboard rounds, thank you!

The new targets are no longer on backorder, Lancaster has delivered them to the US address! We have tentative plans for getting them from the US to Victoria in June.

Thanks,

Chamberlain – Runa Dagsdottir – 2020-11-03

Good evening,

Small change/update for stores. The following items have been added/are now in store:

- Thrones
- Wall hangings
- Effigies and banners
- Some chunkier spikes for the Seagirt Pavillion

The Baron and Baroness still have the throne cushions/kneeling cushion for cleaning.

The coffee urn in stores, is completely busted. It makes very sad whimpering sounds then turns off. Its still in Stores if anyone feels like tinkering with it. But we may want to look into purchasing a new one. The one which was brought to Seagirt Champions was curtesy of Athelina from a last minute purchase off FB Marketplace. It worked just fine, and if the barony would like to purchase that one off her for the same amount she paid it would be \$40. Otherwise, a brand new one runs between \$100-\$200 depending on how fancy you want. But the one in stores should probably just be recycled.

YIS

Runa Dagsdottir

- Council agreed to buy coffee urn from Athelina for \$40. Old one will be marked broken.
