Hey folks,

Heavy activities on the rise again with two practices with 6 and 7 fighters the latter with two new fighters in kit and 1 new person!

Life is currently too busy to work on restoring the seagirt armor as previously discussed so I will be delaying that project to august with the intention of continuing my project to get UVic as a good source of new fighters!

Cheers,

Chamberlain – Runa Dagsdottir – 2020-11-03

A few items were taken from stores for the event we had this past weekend. And some will be staying out for Coronet coming up next weekend. Seagirt pavilion, folding table, and some tabards.

Some misc archery/thrown items for Coronet, loaner bow, set of arrows and tent stakes for marking, foam target butt in burlap, and one spear.

The hot water urn will also be borrowed from stores for Coronet as Athelina is setting up a bit of kitchen for several members. The coffee urn will also be in attendance with her so coffee is available. I believe the urn is still currently hers? But once the Barony has purchased it, it will be available for general use from stores. When it is placed in stores if someone wouldn't mind removing and disposing of the old one so that they do not accidentally get mixed up it would be

greatly appreciated. No one wants to live through the horrors of thinking they have a working coffee machine at an event only to find they brought the broken one and there is infact no coffee.

Scribe - Vémundr Syvurrson 2018-09-04

There was no report for May.

Champions Warrants (Armoured & Rapier) were created for Seagirt Champions at the end of April, as well as a single Rock for James.

Four Rocks were created for Sealion War; thanks to Mael (Brenna) for the scribal work on one of them.

Mael is also producing an additional Rock for the upcoming Tir Righ Coronet.

I am still looking for a Scribal Deputy who is willing to eventually take over as Baronial Scribe. If interested contact me by email or FB Messenger. I'm happy to make it a very gradual transition and I'm definitely not planning on going anywhere, but I would eventually like not to be Baronial Scribe!

I have Kingdom and Principality charters to paint and there are a few months left on both reigns so painted charters are still needed!

Online practice has shifted to bi-weekly for the summer. Average attendance has been less than six. Thank you to Duchess Tangwstl Tudor for leading a conversation about persona development. The populace is encouraged to host live A&S meetings where possible and let me know how it goes. I hope to sponsor an A&S competition at SST, and am looking at hosting a live scribal meet and greet with Vemunder soon.
